

VISIT TO AUNT STARTS REPORT OF KIDNAPING

Twin Sisters Calmly Return to Father's Home While Police Are Searching for Trace of Them.

Marion and Arlyn Snyder, 7 1/2-year-old twin sisters, calmly walked into their father's home at 4187 Cass street yesterday noon following a morning's search by police and their mother, Mrs. Richard Snyder, after playmates of the little girls had rushed into the Saunders school to the principal, Mrs. L. B. Mathews, with the story that the twins had

SULPHUR SOOTHES UGLY, ITCHING SKIN

The First Application Makes Skin Cool and Comfortable.

If you are suffering from eczema or some other torturing, embarrassing skin trouble you may quickly be rid of it by using Mentho-Sulphur, declares a noted skin specialist. This sulphur preparation, because of its germ destroying properties, never fails to quickly subdue itching, even of fiery eczema. The first application makes the skin cool and comfortable. Rash and blotches are healed right up. Mentho-Sulphur is applied like any pleasant cold cream and is perfectly harmless. You can obtain a small jar from any good druggist.

been kidnaped by a large woman who wore a dark coat and carried a suitcase.

Mrs. Snyder notified the police after Mrs. Mathews told her the circumstances of the twins' disappearance. She said the description of the woman tallied with that of her sister-in-law, Miss Inez Snyder of Sioux Falls.

She said she believed Miss Snyder had kidnaped them because she had received a letter last week from Miss Snyder in which were threats to get the little girls and take them back to their grandparents, where they had been making their home.

The police after searching all morning for the twins and the large woman with the black coat and suitcase, and also watching all depots in vain, located Miss Snyder shortly after noon at the home of Nicholas H. Madgett, 362 North Fortieth street, but the little twins had already been sent home.

Miss Snyder vehemently denied any desire to kidnap the twins. "I just arrived in Omaha this morning to visit some friends," Miss Snyder said. "I was passing the Saunders school en route to the Madgett home when my nieces ran up to me. They went along with me to the Madgett home and visited until noon, when I sent them back to their parents."

Miss Snyder admitted having some difficulty with her sister-in-law, but refused to comment on it.

Richard Snyder, father of the girls, also stated there was a difficulty between his second wife and his sister.

"My sister refused to come to my home," he said, "but I have arranged a meeting at the Madgett home where our difficulties will be settled."

The girls' own mother died soon after their birth and the twins were cared for by their grandparents in Sioux Falls until last February, when their father brought them to Omaha.

Mr. Snyder, who is a traveling salesman for Richard Hudnut, New York perfumery, married his second wife last June. Mrs. Snyder is still of the opinion that her sister-in-law intended to take the twins back to their grandparents.
