

**Royalty of Roumania Postpones Proposed Trip to U. S. Till Spring**

Bucharest, Roumania, May 14.—(By The Associated Press.)—King Ferdinand and Queen Marie of Roumania have decided to postpone their visit to the United States un-

til next spring. Problems facing this country are so numerous and serious, the king said today, that he is unable to leave the country at the present time. King Ferdinand is giving all his time to the formation of a stable and permanent government and extending Roumania's administrative functions to new areas acquired under the treaty of peace. Queen Marie, who was present during the interview, jokingly re-

marked to the correspondent that the American people "would have no time to receive a queen while busy selecting a president." "As practical people you must be more interested in presidents than in queens," she said. **Museum Meet Ends** Worcester, Mass., May 14.—The American Association of Museum Art directors closed its annual meet-

ing here today with discussions of technical art matters by members, including Eric Browne of Ottawa, Canada; J. Nilson Laurvic of San Francisco and Reginald Poland of England Ready to Sell Men's Suits to Americans for \$38 New York, May 14.—England is ready to sell to American merchants men's clothing, all wool, that can

be retailed at a 20 per cent profit at \$38.40 each, according to J. C. Pannou, member of a London manufacturing concern. "We can produce suits, transport them to America, pay the duty and sell them to the retailer for \$32 each, Mr. Shannon asserted. "The same quality suits are now selling here for \$60 to \$80." **Have Root Print It**—Beacon Press.—Adv.

**One-Minute Store Talk**  
"Isn't there some way of designating that this establishment is more than a clothing store? Isn't there some way of emphasizing how far you people go to serve men better and the radically close margin you do business on?" inquired an ardent admirer of Greater Nebraska methods. **COMPARISON OF VALUES ALWAYS EMPHASIZES THIS STORE'S SUPREMACY**
