

Brief City News

To Name Members—W. G. Ure, chairman of the republican central committee, announced yesterday that he would name a new executive committee, treasurer and secretary within the next few days.

Auto Bandit Terror—Police are searching for an armed man in an automobile who, for several weeks, has been terrorizing suburban residents by entering homes and forcing victims to submit to indignities.

To Attend Poultry Show—Fifty or more Douglas county farmers will attend the poultry show and field day at the University of Nebraska farm in Lincoln on June 11, according to County Agricultural Agent E. G. Maxwell.

Rolling Four Barrels—Sam Amato, 1409 South Eleventh street, was arrested Thursday night for illegal possession of intoxicants. Police reported they discovered him rolling four barrels of wine into the cellar of his new home.

To Speak on Finance—Horace S. Secrest, professor of economics and statistics at Northwestern university, will lecture on "How the Nation Is Financed" this morning in the council chamber of the city hall under the auspices of the Omaha School Forum.

Attacked and Robbed—Hans Nielson, 414 North Fourteenth street, was attacked by six men who entered his soft drink parlor through a rear door yesterday morning, according to his report to police. He was beaten into insensibility and robbed of \$70 cash, he reported.

Judge Goes By Label—Bessie Woods, negro, arraigned in District Judge Estelle's court yesterday for illegal possession of intoxicating liquor, said she "done bought that whisky befo' the state went dry." The label on the bottle said 1919, however, and Bessie was fined \$100 and costs.

Sugar Dealers Warned—A new warning to retail dealers against the hoarding of sugar was issued yesterday by the Omaha fair price commission when several complaints from consumers who said dealers were refusing to sell sugar unless the purchaser bought other goods, were received.

Money Goes With Stranger—E. B. Pollock, 5442 South Sixteenth street, told police yesterday he accepted an invitation from a stranger Thursday night to spend the night in the stranger's hotel room. When he awoke yesterday morning his roommate, watch and \$11 were gone.

Friend and Purse Gone—Miss Fred Lindquist, of the Brandeis stores auditing department, reported to police yesterday the loss of her purse and \$20 she had left recently at the home of her friend, Dorothy Brown, 2030 Harney street. Dorothy and the purse were gone, she said, when she went to reclaim the purse yesterday.

Speeder Gives Wrong Name—C. M. Schneckenberger, 1424 Sherwood avenue, reported to the police yesterday that the driver of a speeding car that struck his car at Twenty-fourth and Sprague streets Tuesday night had given him a fictitious name and address following the accident. Schneckenberger's baby daughter barely escaped death when the accident occurred.

Deaths and Funerals

Mrs. Susan Comstock, 54 years old, died Thursday night at the home of her daughter, Mrs. E. W. Heenan, 3716 Cuming street. She had been confined to her bed for the last six weeks. Mrs. Comstock was a pioneer settler in Iowa and came to Omaha 25 years ago. Besides her daughter, four sons survive. They are: W. H. Comstock, Dale W. Comstock, George E. Comstock and Frank W. Comstock, all of Omaha. Funeral services will be held at 2 o'clock Sunday afternoon at Stack-Falconer's undertaking parlors. Burial will be in Forest Lawn cemetery.

Funeral services for Thomas J. Fitzgerald, prominent railroad contractor, were held Wednesday from St. Francis Xavier church in Council Bluffs. Burial was in St. Joseph cemetery. He is survived by his widow and one daughter, Dorothy Grace, 15 years old; three brothers, John J. of Moberly, Mo., James J. of Edmonton, Can., and David of Carstairs, Can., and one sister, Mrs. Charles Tompkins, Hawarden, Ia. Pallbearers were Henry Foley and Thomas O'Connor of Omaha, John Massey of Hawarden, Ia., and Leo O'Keefe, Robert Kuhn and M. J. Murphy.

How Present Methods of Living Sap the Iron From the Blood— Causing Weak Nerves and Lack of Physical Strength

Alarming Increase in Iron Deficiency Among Men and Women of Today Leads Physicians Below to Explain Why They Now Prescribe Organic Iron—Nuxated Iron—to Help Build Up Weak, Nervous, Run-Down People by Giving Them More RED BLOOD STRENGTH, AND ENDURANCE

Nuxated Iron is Now Being Used by Over 3,000,000 People Annually

That the nervous and physical strain of present day life has produced as never before an alarming deficiency of iron in the blood is the belief of Dr. T. Alphonsus Wallace, physician of many years' experience and formerly of the British Naval Medical Service, who explains below why iron is absolutely essential to the greatest development of physical and mental power.

Dr. Wallace says: "In every age since the beginning of time people have fallen into certain modes of living harmful to their physical welfare and it has remained in each case for Nature, Necessity or Science to provide means that would help build renewed health and strength. Among the ancients coarse foods, and out-door life helped make rich, red blood to replenish the wasted forces and preserve high standards of health. But this opportunity for building up health is not open to thousands of men and women in civil life today whose wearing tasks and iron impoverished foods sap their energy and vitality and make them weak, anemic and all run down and often cause their blood to literally starve for want of iron.

"Unless strength-giving iron can be obtained from the foods we eat it must be supplied in some form that is easily absorbed and assimilated and for this purpose I always prescribe organic iron—which I have used with such successful results that I am absolutely convinced of its effectiveness for helping build up red blood, strength and endurance."

Dr. H. B. Vail, formerly physician in the Baltimore Hospital and a Medical Examiner, says: "Throughout my experience on Hospital Staff and as a Medical Examiner, I have been astonished at the number of patients who have doctored vainly for various diseases, when in reality their delicate, run-down state was simply the result of lack of iron in the blood, frequently brought on by modern methods of cookery and the strain of the present day high tension life. Time and again I have prescribed organic iron—Nuxated Iron—and my surprised patients at the rapidity with which the weakness and general debility was replaced by a renewed feeling of strength and vitality. I took Nuxated Iron myself to build me up after a serious case of nervous exhaustion. The effects were apparent after a few days and within three weeks it had virtually revitalized my whole system and put me in a superb physical condition."

No matter what other tonics or iron remedies you have used without success—if you are not strong or well, you owe it to yourself to make the following test: See how long you can work or how far you can walk without becoming tired. Next take two five-grain tablets of Nuxated Iron three times per day after meals for two weeks. Then test your strength again and see how much you have gained. Nuxated Iron will increase the strength, power and endurance of delicate, nervous, run-down people in two weeks' time in many instances.

Manufacturers' Note: Nuxated Iron, which is recommended above is not a secret remedy but one which is well known to druggists everywhere. Unlike the older inorganic iron remedies it is easily assimilated and does not irritate the teeth, make them black, nor upset the stomach. Each tablet of genuine Nuxated Iron is stamped as follows: "Nuxated Iron" and the words "Nuxated Iron" are stamped into each bottle, so that the public may not be led into accepting inferior substitutes. The manufacturers guarantee successful and entirely satisfactory results to every purchaser or they will refund your money.

Sold in this city by Owl Drug Co., Sherman & McConnell Drug Co.'s and all other druggists.

A BRIDGE OF SAFETY TO STRONG, VIGOROUS HEALTH
Like a crashing avalanche of mighty rocks the conditions of modern living are threatening the health and strength of many a man of today. It is for such men that Nuxated Iron serves as a bridge to safety by helping to build up red blood, power and endurance.

WHY IS IT

That "rheumatism" is apt to be worse during the period between Winter and Summer? Because "rheumatism" is not a germ disease, but a result of failure of the body to get rid of irritating and waste material, that is increased in amount when the body cleans house in the Spring. Cells that are tired or lazy or that have been overworked, need to be repaired and encouraged—not by drugs, but by what doctors call food-medicine, which Nature has provided to build up—not to brace up. Father John's Medicine contains the greatest of such natural food-medicines. It has no drugs, no alcohol. It has been used for over 60 years. Try it.

First Nebraska First Nebraska

We'll Be Lucky

Every once in a while something happens that makes every red-blooded man wish he could put on the uniform for a few days.

On such days, we members of the First Nebraska, will "have it on" the rest of 'em.

In the meantime, think how much better our physical condition will be!

OPPORTUNITIES—

A chance to drill (keep in condition) one night a week; to attend a two weeks' encampment; to attend military social affairs.

NO EXPENSE—

The federal government will furnish all equipment, clothing, armory, lockers, etc., all free.

IN OMAHA—

Four infantry companies, one machine gun company, a medical unit.

PAY—

You will be paid for nights spent in drill, and while on encampments, pay by the government.

CIVIL PAY—

Employers in Omaha are signing agreements with the adjutant general not to deduct from a man's civil pay when he is on guard duty or encampment, and not to take away his vacation time because of time spent in camp.

Snap Into It!

Foreign born citizens are urged to join this Famous Nebraska Regiment.
