

Clubdom

Luncheon Parties Of Interest at Biennial

Luncheons and dinners of especial interest to special groups will be among the interesting social functions of the biennial convention of the General Federation of Women's Clubs to be held in Des Moines June 16-23. Among the most interesting will be that of the press, at which will be present state press chairmen from every state in the union. Mrs. Edwin A. Knapp of Pasadena, Cal., national press chairman, will preside. Among those to present greetings will be Mrs. Josiah Evans Cowles, California, national president; Miss Georgia A. Bacon, Massachusetts; Mrs. Thomas G. Winter, Minnesota; Mrs. Robert J. Burdette, California; Miss Helen Louise Johnson, New York, editor of the General Federation Magazine, and several other eastern newspaper women. Trumbull White, formerly editor of Everybody's Magazine and the Red Book Magazine, will be the principal speaker. The luncheon will be held in the ball room of the Hotel Savery Friday afternoon, June 18, and will be followed by a press conference presided over by Mrs. James E. Read, Fayetteville, Ark., vice chairman of the committee, who is said to be a practical newspaper woman. At this time reports from the state press chairmen will be heard, followed by a round table discussion.

The great thrift luncheon, presided over by Miss Georgia Bacon, first vice president and director of the thrift department of the general federation in its post-war campaign over the country, will be of vital interest.

The Community Service Luncheon will be presided over by Mrs. George W. Plummer, Chicago, director of that department for the general federation. Mrs. Percy V. Pennybacker, past president of the federation, will be the principal speaker while the overseas unit of young women sent by the various state federations under the auspices of the general federation to Europe for war relief work, will be the guests of honor.

A pioneer workers' luncheon, confined to members only, will be held in the lounge of the Hotel Savery Monday noon, June 21. On Tuesday, June 22, Americanization luncheon will be given, presided over by Mrs. Thomas G. Winter, second vice president and director of Americanization work for the organization. Dr. Caroline Hedger, Chicago, will speak on "Our Neighbors and Their Children."

Music Department.

Mrs. W. E. Shafer will entertain the members of the music department of the Omaha women's club, Thursday afternoon, June 3, at her home, 4816 Capital avenue.

May Festival.

The Business Women's club will give a benefit entertainment in the Y. W. C. A. auditorium, Tuesday evening at 8 o'clock. The program will be used to defray expenses of two members, who will attend the Y. W. C. A. conference at Lake Geneva, Wis., in June, and to send a delegate to the National Convention of the Federation of Business and Professional Women's Clubs, which will be held in Minnesota the last week in July.

Members will meet for dinner Tuesday evening at 6:15 o'clock in the Y. W. C. A. club rooms.

League of Women Voters to Meet in Omaha

Hastings, Neb., May 22.—Invitations have just been issued for the final convention of the Nebraska Suffrage association and the first state congress of the League of Women Voters. It promises to be one of the most notable gatherings of women ever held in Nebraska, says Mrs. Charles Dietrich, state suffrage president. Many of the brilliant women of the country will be in attendance and take part on the program. In addition to the name on the invitation word has been received that Mrs. Percy V. Pennybacker, chairman of the Child Welfare committee of the National League of Women Voters, and former national president of the General Federation of Women's Clubs, and Mrs. Gifford Pinchot of Pennsylvania, chairman of the finance committee, will come to Omaha. Together with the 10 directors of the league, they will attend the republican convention in Chicago and will come to Omaha on their way to the democratic convention in San Francisco.

Since the State League of Women Voters has not yet been organized, the State Suffrage association, the convener of the league, is extending a general invitation to all women interested, to attend the convention, to help form the league and shape its policy for Nebraska. Although many invitations have been mailed over the state, it was, of course, impossible to have a list of all the women who might be interested, according to Mrs. Dietrich, and it is earnestly desired by the committee in charge that any woman who could attend the entire convention or any of its sessions, should feel free to do so, and for further information she should write to Mrs. Dietrich, Hastings, Neb.

A special invitation is extended by the committee in charge to the wives of the bankers and druggists who will attend conventions in Omaha at about the same date. The committee adds that delegates to the Golden Prairie Biennial will be cordially welcomed at the league convention on their way to Des Moines.

To Give Program

Mrs. O. W. Malstrom will present a program of readings and monologues in Wheatland, Wyo., May 31 for the benefit of the new Methodist church in that place. Before returning to Omaha she will repeat her program in North Platte. Mrs. Malstrom was graduated from the Boyd School of Dramatic Art and Expression, and previous to her marriage played ingenue roles with several stock companies. Since her marriage she has devoted a great deal of her time to the public speaking department of the Omaha Woman's club. She became leader of that department in 1916 and at present is an assistant leader to Mrs. O. Y. Kring. Mrs. Malstrom has appeared on several programs in the city and has given many delightful readings. She plans to devote most of her time next season to platform work.

Miss Grace Casey, publisher of the Pueblo (Colo.) Star-Journal, was the only woman delegate to attend the annual meeting of the American Newspaper Publishers' association, held in New York City.

Douglas County W.C.T.U. to Hold an All Day Institute.

Douglas County Woman's Christian Temperance union will hold an all day institute Thursday at the Y. W. C. A. The morning session will open at 10 o'clock with community singing, led by Dr. Jennie Callias. Mrs. Agnes Roberts will address the meeting.

At the afternoon session Charles McLaughlin will speak on "The Constitutional Convention." Other talks will be given by Mrs. Ira M. Innes, state organizer for the W. C. T. U., and Rev. James M. Wilson of the North Side Presbyterian church.

Miss Kathleen German will render vocal numbers. The program will be led by Mrs. D. W. Hancock, Mrs. K. McKittrick and Mrs. C. E. Bowen.

In China there is a very strange offering for women. It is carried off by the Chinese, and when they come by heating a drum and offering their services to amuse the lady of the house. This offer accepted, they sit down and tell the latest scandals and the newest stories and bits of gossip, and are rewarded at the rate of a few pennies per hour.

Calendar

SUNDAY
Old Peoples Home, Fontanelle Boulevard—Sunday, 2:30 p. m. Rev. J. M. Wilson, pastor of the North Presbyterian church, will conduct services.

Theological Society, Lotus Circle for

Children—Saturday

3 p. m. with Mrs. Ross Riegel, 1247 Bauman street.
Chautauqua Circle—Saturday evening, with Mrs. W. R. Howard, 4122 Capitol avenue. Annual party and graduation exercises of all Omaha circles.

Beginning in a small way during the war, when she started canning on her back porch Mrs. A. L. Harris of Betterton, Md., has increased her business so much that now she has a large plant, where last year she canned \$37,000 worth of corn and tomatoes. In addition to managing her canning industry, Mrs. Harris takes care of her five children.

MANAWA PARK

Opens Today

Drugs, Toilet Goods, Stationery on the 1c Sale Plan Mon., Tues. and Wed. Read Sherman & McConnell's big ad in today's paper.

Mrs. Syfert Honored

Mrs. E. M. Syfert has been accorded a distinct honor in the general federation club world. At the biennial meetings of the federation, there is a platform committee of three who are chosen at large over the United States, and whose duty it is to permit only certain persons on the platform. Mrs. Syfert is one of this committee, having been elected in January by the General Federation board of directors when they were in session in Omaha. Mrs. Max Layne of Helena, Ark., is chairman.

An excellent memory and exquisite tact are required in order to pass intelligently upon the 250 women who are eligible to platform seats, permitting them, and no one else, to take their places. Mrs. Syfert knows many of those whose names are on the eligible list, and declares she will learn all the other names before the biennial convenes.

Big Sisters to Meet.

The Big Sisters' association will hold a short business session at their headquarters, room 523 Peters Trust building, Seventeenth and Farnam streets, Wednesday evening at 8:30 o'clock. Officers will be elected for the ensuing year.

Diction Class.

The Correct Diction class will not meet until further notice, as Prof. Edwin Puls, instructor, is out of the city.

A De Luxe Booklet you will want to have

"This most wonderful contribution ever made to music... This is how famous critic termed Thomas A. Edison's amazing achievement."

Edison and Music

The story of the \$3,000,000 Phonograph is as romantic as any bit of fiction. It is told in a beautifully illustrated brochure which you will be glad to keep.

ADVERTISEMENTS

BLACKHEADS GO QUICK BY THIS SIMPLE METHOD
Blackheads—big ones or little ones—soft ones or hard ones—on any part of the body, go quick by a simple method that just dissolves them. To do this get about two ounces of calomite powder from your druggist—sprinkle a little on a hot, wet sponge—rub over the blackheads briskly for a few seconds—and wash off. You'll wonder where the blackheads have gone. The calomite powder and the hot water have just dissolved them. Pimples and squeezing blackheads only open the pores of the skin and leave them open and unsightly—unless the blackheads are big and soft they will not come out, while the simple application of calomite powder and water dissolves them right out, leaving the skin soft and the pores in their natural condition. You can get calomite powder at any drug store, if you are troubled with these unsightly blemishes you should certainly try this simple method.

Tells Fat People Perverted Craving For Wrong Foods Must Be Overcome.
Says Arbolone Tablets Does This and Reduces Weight, Too.

The person who is too fat is told to diet and the very things that a perverted appetite craves are the ones "you just not eat." Obesity is unnatural. It is like an endless chain. Eating wrong foods in the wrong way produces a perverted appetite. Then the appetite demands and craves the wrong foods and converts them into needless, embarrassing fat. Tablets Arbolone stops the perverted craving for the wrong foods, gives a normal appetite, eliminates the fat-forming elements through kidneys and bowels, dissolves the fatty surplus and sends it back through eliminative channels, causing improved health and strength. One or two tubes will convince any fat person that Arbolone is what they need to reduce safely and successfully. Sold by thirty thousand druggists in sealed tubes with full directions.

Thomas A. Lepatriet & Co.
ON DOUGLAS STREET, FOR FIFTY YEARS

"He Doth Protest too Much"

A wise man in his day was William Shakespeare. Had he lived today his sayings would have been equally pat.

When idealic and unselfish motives are alleged to cloak sordid action the result cannot be good. Truth has a way of leaking out, and in the long run cannot be ignored with impunity.

TWO WEEKS AGO we announced a 33 1/3% reduction on our entire stock of Women's Suits. We expected no halo for doing it. We thought it was just common sense. Today all ready-to-wear that is unseasonable is being offered at similar discounts.

Girls Prove to Be Keen for Farm Work

What is to become of the merry farmerettes and to what use can she put her overalls and broad brimmed straw since the women's land army no longer exists and the state industrial commission will no longer undertake to bring hay fields, hay rake and hay maker into happy upstate conjunction?

City workers, both male and female, who under the stress of wartime emergency learned what a shortage of energy against the depletion of water means, of indoor work could be effected by a few weeks or months of truck gardening or fruit harvesting are asking what provisions and arrangements have or can be made for a repetition of their vacation work on the farm.

It is reported by the American Land Service, which has undertaken the organization of season farm workers, that as many women are seeking summer work on the farm as in previous years. A report from the recruiting headquarters in New York City shows that in two days 14 applications were received from women school teachers who desired to take out their incomes and refresh their minds and bodies with outdoor life. The corps of summer gardeners and fruit harvesters will be recruited from pupils of high schools and colleges and from seasoned truck workers whose summer time falls during the summer months.

There is every indication that the farmerettes who went forth under the inspiration of patriotic enthusiasm to engage in what they believed an exceptional and temporary activity will, under the management of the land service, become a permanent factor in the handling of the summer farm worker problem. Through the establishment by the service of permanent central camps where the workers will live under 20th century conditions, including shower baths and organized recreation, the social status of the farm worker will be raised, while the economic service of increasing and conserving the agricultural products of the country, no less vital in peace time than during war, will be appreciably advanced by the permanent addition of the farmerette to the ranks of agriculturists.

Miss Maud Cleveland of Berkeley, Cal., a graduate and member of the faculty of the University of California, recently received the D. S. M. at the American Woman's club in Paris for "conspicuous service" while serving as head of the Red Cross home convalescent department of the A. E. Miss Cleveland had charge at Brest of the war brides who married American soldiers.

BE PRETTY! TURN GRAY HAIR DARK
Try Grandmother's Old Favorite Recipe of Sage Tea and Sulphur.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, has the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this famous old recipe, improved by the addition of other ingredients, at a small cost.

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, glossy and attractive.
