**Your Money Buys More Here!**

Several times during this sale, our "ads" have made the claim that "A Dollar Spent at Brandeis is Thirty Cents Saved."  
A mathematical shark has corrected us, saying that "Seventy cents paid out represents a saving of thirty cents."  
He's right, of course, and we stand corrected.

**A Dollar Spent at Brandeis  
Means a Saving of 42 6-7 Cents**
