

RAILWAY BOARD INTERVENS IN CAR WAGE FIGHT

Both Sides Confident State Commission's Award Will Be Favorable—Union Asks 13-Cent Raise.

If the state railway commission, acting as mediator of the controversy between the street car men's union and the Omaha & Council Bluffs street railway, decides that the street car company is unable to grant a pay increase to employees, demand made by the union will be

dropped, according to an agreement reached yesterday at a meeting held between company officials and union leaders.

Following failure of the company to grant a 13-cent increase to the employees, a strike vote was taken last Saturday by the union members and carried.

Union leaders expressed confidence yesterday that the commission would allow an increase.

HUSBAND FREED WHEN JURY SAYS WOMAN SHOT SELF

Mother of Accused Taxi Driver Faints as Witnesses Tell Of Tragedy.

An inquest held Thursday afternoon, cleared Joe Buckley, Omaha taxi driver, of all responsibility for the death of his wife, Mrs. Marion Buckley, 2861 Whitmore street. Mrs. Buckley was found dead in the basement of her home early Tuesday morning.

Physicians testified that only one shot was fired, the bullet having split into two pieces after the skull was penetrated. Marked powder burns unmistakably pointed to suicide they said. Witnesses testified

that she had been thwarted on former occasions in her attempts to take her own life. Mrs. Merle Gramer of Burlington, Ia., a sister of Mrs. Buckley, said that recently she received a letter from her in which she intimated that she was dependent and morose and that if Mrs. Gramer "happened to hear anything like going up in an aeroplane" she should not be surprised.

Mrs. Charles Buckley, mother of the accused man, fainted during the hearing and her testimony could not be heard.

Worth Winans, 13 years old, who was arrested while trying to pry open a window in the Updike Lumber and Coal company Monday night, is the new "mystery" boy. He is held at the Riverview detention home. He does not know his address, having moved here recently. No one has inquired about him.

Apartment House Dwellers Lose Sleep; Want Noise Stopped

A committee of three, representing 380 families who live at the El Beudor and Morris apartments, Eighteenth and Dodge streets, conferred yesterday with attorneys in regard to night work on the grading of Dodge street.

An anvil, steam shovel and three worn-out locomotives are the cause of the deafening noise, the tenants state. People in the neighborhood say they can't sleep on account of the noise.

Absence of Mayor Smith and Police Commissioner Ringer from their offices yesterday prompted the irate protestants to seek the advice of prominent attorneys concerning the alleged nuisance.

Deficit in Mexican Treasury.

Mexico City, June 3.—A deficit of 2,400,000 pesos exists in the Mexican treasury, according to the newspapers. They quote Gen. Salvador Alvarado, minister of finance in the cabinet of President de la Huerta, as authority for the statement.

More than 3,000 persons were served at a free dinner. Base ball, horse racing, wrestling and dancing entertained the crowds.
