Faces Made Young
The secret of a youthful face will be sent to any woman whose appearance shows that time or illness or any other cause is stealing from her the charm of girlhood beauty. It will show how without cosmetics, creams, massage, masks, plasters, straps, vibrators, "beauty" treatments or other artificial means, she can remove the traces of age from her countenance. Every woman, young or middle aged, who has a single facial defect should know about the remarkable
Beauty Exercises
which remove lines and "crow's feet" and wrinkles; fill up hollows; give roundness to sunken cheeks; lift up sagging corners of the mouth; and clear up muddy or yellow skin. It shows how five minutes daily with Kathryn Murray's simple facial exercises will work wonders. This information is free to all who ask for it.
