At The Parks.

Tonight Lakeview park will be the scene of one of the funniest of all attractions recently staged at New Oil Lease Broker Robbed York's famous Coney Island. While the overall-housedress - the people of that great city, management of this resort worked out a plan and coupled it with the

overall movement that proved to be a source of much fun to this resort's many patrons. The overall-housedress ball and outing, the same as at Coney Island, will be staged in its entirety tonight. The affair will consist of a parade

of the overall and housedress; a fat and lean contest; a tall and short contest and many other laugh getters. To enter into any of the competitive contests it will be necessary for the gentlemen to wear overalls and the ladies house dresses. Many valuable prizes will be given.

THEATERS

If you plan to attend the Orpheum this week, why not choose the vaudeville performance that starts at 6:40? For at that show more seats are available than at the other two performances, one of which begins at 2:40 in the afternoon, and the other at 9 in the evening, Always the 6:40 vaudeville show is preceded and followed by the screen feature. A bill unusually popular is being presented this week. The topline act is offered by Billy Montgomery and Minnie Allen. Non-sense of the most hilarious sort, in addition to songs and plano playing, makes this act the applause hit of the show in the one-act play. The Champion, is not really the champion boxer, but his little old mother, who has chief importance. It is a heart-interest story well acted.

Acted.

Heading the variety bill at the Empress for the last times today are The Six Venetian Gypsies, all talented musicians. These gypsies have an act sure to make a hit. Andrus and Miller, two girls, present a comedy act which they entitle "Two Nuts from Brazil." Their jokes are original and their songs humorous. Burns Lynn offer "Tickle and Taps." a comedy dancing and singing act which will prove entertaining. They are good dancers, and their "St. Vitus." "Shimmie" and other dances prove a source of amusement. Porter and White and company, in a sketch entitled "The Visitor," present an act different from the usual one-act sketch, and the performers take their parts well.
