

## RENEW WARFARE OVER CONTESTS OF DELEGATES

Edward Duffield of New Jersey Elected Chairman of Committee — William Laube, Secretary.

Chicago, June 8. — Warfare over contesting state delegations waged all last week before the republican national committee was resumed late today before the convention credentials committee.

sey was elected chairman of the committee, 28 to 16, over C. H. Innes of Massachusetts. William F. Laube of Washington was chosen secretary. The election of Mr. Duffield was said to be without significance as to the presidential race. He was nominated by Charles B. Carter of Maine and Mr. Innes by C. E. Pickett of Iowa, counsel for Gov. Lowden in the national committee hearings.

Chairman Duffield was said to be a Wood supporter and active in the New Jersey campaign.

**Negroes On Hand.**  
In evidence as the committee hearings began were Frank H. Hitchcock, Wood manager, and other campaign managers. Virtually all of the negroes denied seats by the national committee were also on hand.

Almost all the national committee contests were appealed until the roll was called for filing of contests. In addition, Oregon announced a contest of one seat-at-large, Judge Mc-

Camert of Portland, who intends to vote for Gen. Wood, although Senator Johnson won the Oregon primary.

Of the 137 contests decided by the committee, appeals involving 101 seats were filed with the credentials committee with an additional contest of the one Oregon vote.

**Seat 12 Delegates.**  
No appeals were filed from Louisiana or North Carolina. From the former, the national committee had seated 12 delegates of the faction, headed by National Committeeman Kuntz and counted for Lowden. From North Carolina the committee had seated 17 delegates led by National Committeeman Morehead, pledged to Judge Pritchard, credentials committee, however, agreed that the appeals from any state might be filed later.

Delegates from the Fifth Missouri district, which was denied representation by the national committee for alleged fraud, filed an appeal.

The Alabama contest in which a negro challenged the seat of J. B. Atkinson of Selma, a Lowden supporter, was dismissed after a brief statement by the negro. The committee adopted a rule to limit hearings on delegates-at-large to 10 minutes and districts to five, except in unusual cases.

Filing of the Oregon contest was questioned. Lafayette Gleason, temporary convention secretary holding New York's proxy, said no contest had been filed, as required under the national committee's rules, with the national committee. The credentials committee then adopted a motion to refuse consideration of contests not complying with the rules.

The Arkansas delegates-at-large, headed by National Committeeman Remmel, were seated by the committee, sustaining the action of the national committee.

The entire Florida delegation on the temporary roll was seated without a hearing, no contestants appearing. Of the eight Florida delegates, six and pledged to Wood and two unpledged, but reported to favor Senator Johnson.

In the Arkansas contests brought by negroes charging race discrimination the committee seated the "regulars."

**Turkey Drafts Peace Reply.**

Constantinople, June 8.—The commission charged with drafting Turkey's reply to the peace terms is speeding its work, and it is announced Damad Ferid Pasha, the grand vizier, will leave for Paris next week with the document.

## Omaha Man Seriously Injured When Clothes Catch in Machinery

J. J. Miller, an employe of the Walker Manufacturing company, Tenth avenue and Eleventh street, Council Bluffs, is in Mercy hospital suffering from injuries that may prove fatal. While oiling a lineshaft in the factory Tuesday morning his clothing caught on a setscrew and he was whirled with the shaft until his clothes ripped from him and he was thrown against the wall on the opposite side of the room.

Miller suffered internal injuries, his left arm was broken in several places and his entire body was cut and bruised.

Miller's home is at 4006 South Twenty-fourth street, Omaha. He is 35 years old and has a family.

Ninety cents an hour is the latest scale of wages granted to machinists in Hamilton, Ontario.

## Omaha Girl's Plan to Join Gobs Shattered By Examination Order

Springfield, Ill., June 8.—(Special Telegram.)—Agnes Schenk, 16-year-old Omaha girl, almost became a gop here. Disguised as a boy she succeeded in passing inspection at the local navy recruiting station until ordered to prepare for physical examination.

A jaunty looking lad sauntered into the recruiting station and stated he wanted to enlist in the navy. At first glance Chief Quartermaster R. J. Stirling took him for an unusually good looking chap; then a closer look at his face and a glance at the slender hands put a doubt in his mind.

"Go into the next room and prepare for physical examination," the officer commanded.

The boy went, but when the recruiting officer went to give the examination Agnes was sitting in a corner crying and no nearer ready for the examination than she had been when she entered the room.

She confessed she was a girl, 16 years old, and that she had come from Omaha, "bumming" her way on a freight train. Upon being questioned she stated she had money. She left the office with shattered hopes of becoming a Jackie.

## Cummins Piles Up Big Lead in Returns From Iowa Primary

Des Moines, June 8.—The vote of United States Senator A. B. Cummins, seeking renomination on the

republican ticket, continued to pile up as returns from Monday's primary were tabulated by the Des Moines Capital late today. With 1,500 precincts of the 2,347 in the state in, the vote was Cummins, 71,319; S. W. Brockhart, 56,701.

Returns late today indicated the choice of a republican nominee for governor may have been made at the primary and might not have to go to

the state convention. With 1,136 precincts heard from, N. E. Kendall had 24,225; E. R. Moore, 20,157; J. F. Deems, 18,971, and H. M. Hayner, 16,774. If the same ratio of standing continued for the remainder of the returns Kendall would have sufficient votes to nominate him.

## PHONE FOR AN APEX DEMONSTRATION

Let us show you this simple, efficient machine which makes washing an easy task. In choosing between work and play, most people would rather play. That is why so many women would "rather play with the Apex Electric Washer" and manage their washings at a cost of less than 2 cents a week for electric current, than spend hours at the hardest kind of work over a washboard. They enjoy freedom from the uncertainty of "day help"—they revel in their independence—they appreciate the better service maids give when provided with Apex laundry appliances.

## The Apex Electric Washer

Makes washing a simple task. There is no rubbing—no boiling necessary. Being the original oscillator, with its unique tub and its air pockets, it creates both vacuum and pressure which forces water, steam and suds through the clothes, completely removing the dirt from the fabrics in half the time usually required.

### All Metal--Guaranteed Rustproof

All metal, except the wringer; it lasts a life-time and in addition is more sanitary. Wood rots and warps; corrugations collect germs. None of this is possible with the Apex. It requires no more attention than would a granite dishpan in your kitchen. Carload after carload of these Apex Washers have been sold by us because every sale made makes a new booster who brings us customers. For 1920, we have ordered over \$600,000 worth of Apex Appliances, but we doubt if even this large contract will meet the demand.

You can easily afford the Apex. Get the facts about the Apex and our selling plan—have a free trial in your home. Let the Apex do your next washing.
