

# Lift Off Corns!

Doesn't hurt! Lift touchy corns and calluses right off with fingers

Apply a few drops of "Freezone" upon that ol', bothersome corn. Instantly that corn stops hurting. Then shortly you lift it right off, root and all, without pain or soreness.

Hard corns, soft corns, corns between the toes, and the hard skin calluses on bottom of feet lift right off—no humbug!

Tiny bottles of "Freezone" cost but a few cents at drug stores

(By Staff Correspondent.)  
Chicago, June 9.—(Special.)—The Nebraska women are in evidence at the republican convention. Mrs. Elizabeth O'Linn Smith of Chadron and Mrs. J. J. Douglas of Callaway, members elect of the Nebraska state central committee, are both in attendance. Sitting on the platform with the council of 100, are Mrs. M. D. Cameron of Omaha and Mrs. Lulah T. Mrs. W. H. Miller of Bloomington, Mrs. Chas. E. Matson of Lincoln, Mrs. R. B. Howell, Mrs. C. T. Neal and Mrs. W. G. Ure of Omaha, are also in attendance.  
The republican women were in conference Monday afternoon at the headquarters of the women's division and were addressed by the national leaders of the party led by Mrs. Medill McCormick Miss Mary

Garrett Hay and Mrs. Douglas Robinson.  
The recommendations to the national committee asking for representation upon the executive committee resulted in a change in the rules of the national committee which will place a woman vice chairman, secretary and not less than five women members, on the executive committee of the national republican committee.  
This news was enthusiastically received by the women who are so deeply interested in this recognition. Nebraska headquarters are crowded with interested Nebraskans out of convention hours.
