

JEAN CALDWELL, FRESHMAN, WINS TRIP TO LONDON

Scoutmaster's Aide of Troop 50 to Represent Omaha At International Jamboree.

Jean Caldwell, 3404 Hawthorne street, was chosen by the local Boy Scout council to represent Omaha in the international jamboree to be held at London, Olympia stadium, from July 30 to August 7.

Twenty-six scouts competed for this honor, the highest ever received by any local Boy Scout. Only first-class scouts were eligible.

Tests given to the scouts included intelligence tests, scoutcraft tests, and practical tests. The members of the executive board raised money for all expenses.

In being chosen for this honor, Caldwell was advanced over two Eagle scouts, the highest scout rank. They were D. L. Dimond and Herbert Lichenberger.

Has Good Scout Record.

Caldwell is 14 years old and is the son of L. E. Caldwell, a railroad clerk. He is a freshman at Central High school. He joined Troop 14 when he was 12 years old.

The Caldwell family moved and Jean transferred to Troop 50, under the leadership of scoutmaster D. I. McCarl. He has held every office in the troop except scribe. He was patrol leader of the Pine Tree patrol and later senior patrol leader. Jean is now scoutmaster's aide, the highest office he is eligible to until he becomes 18 years of age.

Passes Many Tests.

He is a star scout and lacks only four more merit badges to become an eagle scout. He passed the following 17 tests, for which he received merit badges: first aid, physical development, personal health, public health, cooking, bird study, pathfinding, civics, first aid to animals, electricity, forestry, pioneering, firemanship, safety first, poultry keeping, marksmanship and camping.

Caldwell will leave for New York about July 7 and spend 10 days in preparation at New York. The following were on the committee of judges: J. H. Beveridge, chairman; W. C. Fraser, father of C. W. Worden and W. E. Reed. The following had charge of the tests: Miss Belle Ryan, Leon Smith, D. M. Hall, John Welch, Dr. Frank Colm and Dr. J. W. Ebert.

LABOR UNIONS DO AWAY WITH "COLOR LINE"

All Organizations Warned That Negro Workers Must Be Given Full Membership With White Men.

Montreal, June 10.—The American Federation of Labor in its annual convention here today wiped out the "color line" and warned its affiliated international unions that negro workers must be given full and equal membership with white men.

The federation's action came at the end of a stormy session which nearly resulted in a "race war" between delegates from the southern states and the negroes and their sympathizers.

Rejecting the recommendation of its organization committee, the federation threatened the autonomy of an affiliated union by requesting the brotherhood of railway clerks to give the negro freight handlers, express and station employees, full membership and eliminate from its constitution the words "white only."

Indignation of the negro delegates was aroused several times during the debate when speakers referred to them as "niggers" freight handlers and their objection to such remarks was sustained by the acting chairman, James Duncan.

An appeal to the workers to desert the federation and align with the one big union spread broadcast through the city today, asserted that craft unionism was "doomed." The circular, addressed to "all fellow workers," and warning them that the "satellites of craft unionism" were in their midst, called for the first open attack on the American Federation by the one big union organization in Canada.

MRS. HARDING IS NOT ANXIOUS TO BE "FIRST LADY"

"He's the Most Wonderful Man," Says Wife, Who Doesn't Crave Honor.

By LEOLA ALLARD. Chicago Tribune-Omaha Bee Leased Wire.

Chicago, June 10.—"I am content to trail in my husband's limelight," said the wife of Warren G. Harding, senator from Ohio and candidate for president. "But I can't see why anyone should want to be president in the next four years. I can see but one word written over the head of my husband, if he is elected, and that word is 'tragedy.'"

"As a matter of fact I would much rather have him senator than president. Being senator and being a senator's wife is a really wonderful life. Of course, now that he is in the race and wants to win, I must want him, but down in my heart—I am sorry."

This most democratic of women, stunning, smiling and delightful, says she has one bad, her husband. "He is the most wonderful man in the world," she told me. "He can differ with people without offending them. His smile, so his friends in Washington tell him, should get him anything he wants."

"Of course we haven't seven daughters, but that isn't any reason why we should be barred from the White House. We wish we had seven. We haven't any, but the senator flirts with every baby he sees, and he always stops to say something to the little folks he meets. 'I've lived with my husband for 26 years and I know him. I'm not talking for effect. He is all the things that I say he is—and more. The only reason I want to go to the White House is because it is his wish.'"

In regard to Mr. Johnson and the report that he will bolt the convention, Mrs. Harding said: "I don't believe he will. I don't think it is his intention. What they are doing is bluffing, so as to get the nomination. They want to force it by threatening to bolt."

Free Bridge Project At Plattsmouth Will Be Discussed Today

Plattsmouth, Neb., June 10.—(Special)—The Cass county commissioners at Lincoln Friday will endeavor to obtain definite action from the state toward the erection of a free bridge over the Platte river at this point. The Sarpy county board has refused to do anything toward getting the bridge, and takes the same stand in regard to it as was taken toward the bridge at Ashland, when the O. L. D. association came to the rescue and put up Sarpy county's share of a bridge to save the proposition from falling through.

The proposed new bridge will cost \$100,000, the state to pay half and the counties interested one-fourth each. In the event Sarpy county continues to refuse its aid, it is planned to bring the problem of financing before the Omaha Auto Club, as the proposed bridge is on the main highway connecting Omaha and Kansas City.
