It is not necessary to use a painful process to remove hairy growths, for with a little delatone handy you can keep the skin entirely free from these beauty destroyers. To remove hair, make a stiff paste with a little powdered delatone and water. Spread on the hairy surface and in about 2 minutes rub off, wash the skin and the hairs are gone. To guard against disappointment, be careful to get real delatone.

"Can't Cut Off My Leg" Says Railroad Engineer
"I am a railroad engineer; about 20 years ago I was seriously injured in an accident out West. Upon my refusing to allow the doctor to amputate it I was told it would be impossible to heal the wound. I have tried all kinds of salves and had many doctors in the past 20 years, but to no avail. Finally I resolved to use PETERSON'S OINTMENT on my leg. You cannot imagine my astonishment when I found it was doing what over 100 things had failed to do. My leg is now completely cured."—Gus Haut, 799 Myrtle Avenue, Brooklyn, N. Y.
"It makes me feel proud, to be able to produce an ointment like that," says Peterson of Buffalo. "Not only do I guarantee Peterson's Ointment for old sores and wounds, but for eczema, salt rheum, ulcers, chafing, itching skin and blind, bleeding, or itching piles, and I put up a big box for 50 cents at all drug stores, or will afford to pay and money back if not satisfied." Ralph Campbell Weds Spokane Girl

Another war-time romance has culminated in marriage, and wedding bells are cheerily ringing for a couple who for many months heard the booming of the big guns on the battlefield. Miss Ruth Allenberg of Spokane, Wash., was one of the many girls who went overseas in the Red Cross canteen service. Ralph Paige Campbell, an Omaha boy, was a major overseas in the heavy field artillery. He spent 12 months in France and six months in Germany. Both were sent home on the same ship and there the acquaintance began. Miss Allenberg returned to her home in Spokane; Mr. Campbell visited his mother, Mrs. Nellie Campbell, here, later going to Chicago to make his home. The couple corresponded and late this spring Miss Allenberg went to Chicago where she visited Mr. Koenig attended Vassar during the past year.

On June 2 they were quietly married at the Church of the Atonement in Chicago.

Neither Mrs. Campbell nor Mrs. Herman Allenberg of Spokane, mother of the bride, knew of the marriage plans.

The young couple will be at home after June 13 at 7645 Sheridan road, Chicago.

Healthy Feet Never Annoy

Fig. 1 shows the distorted foot, the pinched toes in the ordinary, unnatural shoe.

Fig. 2—Note how Ground Gripper shape provides natural space, with toes in correct position.

Nature gave us good, sound and sensibly-shaped feet. Let's stop abusing them!—for today's vanity won't ease tomorrow's pain. Just so surely as we cruelly bind our feet in freakish pointed shoes, we will pay for our pride—in suffering.

Give your toes more room. Don't pinch them by crowding them one on top of the other.

Remember, healthy, natural-shaped feet never annoy. Ground Gripper Shoes are built nature's way—designed to provide relief to active feet, thus, greatest comfort to the wearer.

Comfort Your Skin With Cuticura Soap and Fragrant Talcum

Defies Age by Using Howard's Buttermilk Cream for Complexion

This Pretty Girl Tells Druggists Not to Take Anybody's Money Unless This Delightful New Vanishing Cream Quickly Shows a Decided Improvement.

Buttermilk Cream creates beauty almost like magic. The most wonderful thing about it is the fact that whilst it turns the dull, most lifeless complexion to radiant beauty and makes red or rough hands or arms snowy white, yet there is not the slightest sign of its use after application. It actually vanishes from sight and the most heated atmosphere will not produce the least shininess or greasiness of the skin.

No matter whether you are troubled with a poor complexion, wrinkles, puffiness around the eyes, freckles, crow's feet or lines around the mouth, ugly finger nails, or just a simple roughness of the face, hands or arms caused by wind or sun, you will find that any or all these troubles will quickly disappear
