

## NEW ARMY PLANS ARE ORDERED PUT INTO EXECUTION

Secretary of War Names Four Boards to Prepare Classifications of Officers for Promotion.

Chicago Tribune-Omaha Bee Leased Wire. Washington, June 11.—First steps toward the reorganization of the army under the law passed at the recent session of congress were taken by Secretary of War Baker today when he announced the appointment of four boards to prepare classifications of officers.

The boards will meet next week. One of the boards, which is assigned to prepare an initial list of officers for general staff duty, is headed by Gen. John J. Pershing.

In order to be placed on the general staff eligible list officers must have graduated from the army staff college or the army college prior to July 1, 1917, and have been recommended for duty as commander or chief of staff for a division or higher tactical unit or for detail on a general staff. Officers who are eligible are officers who since June 6, 1917,

## Woman May Make Race for Vice President at Frisco

By LEOLA ALLARD.

Chicago Tribune-Omaha Bee Leased Wire. Chicago, June 11.—A prominent democrat from the south today informed Mrs. Allen, of the women's national headquarters, that the democrats have planned to run a woman for vice president. She is Mrs. Peter Olsen of Cloquet, Minn., who is now a candidate for a state office in Minnesota and who is said to have no rivals in the world of public speaking.

"She can make speeches as no woman I ever heard can," said Mrs. Allen, "but she comes from a small community and is not a woman of any vast political experience. She was a republican two years ago, but she announced that she wanted to work, but wanted to work for a

substantial salary. We had no such salary to offer her. She became a democrat and is drawing a fat salary now in that party.

"I know the democrats are planning to give the women all they possibly can, to lure their vote, and it would be like them to put this woman on their ticket. The men all like her. When she speaks, if anyone asks her questions, she always has an answer. She has made statements about the republican women, in answer to queries, that are so far from the facts that they were absurd, but she is never found wanting when an answer is asked for.

"She is quick as lightning, and a diplomat, but so far as we have been able to figure out, without qualifications for high office."

## HERRERO SAYS HE WANTED TO SAVE CARRANZA

Denies First Hand Knowledge Of Suicide, Saying His Cousin Gave Him the Information.

Mexico City, June 11.—Admission by Gen. Rodolfo Herrero, who has been charged with responsibility for President Carranza's death that he did not have personal knowledge that Carranza committed suicide, but that he was told so by one of the president's officers, featured the hearing last night before the federal court investigating the chief executive's death. A clash occurred during the session between Herrero and Gen. Francisco Murguía, former minister of war, when the latter denied the statement that he had offered Herrero money. The court stopped the colloquy.

Herrero declared that the officer who gave him the information that Carranza had committed suicide was Ernesto Herrero, his cousin, who brought him the pistol with which it was alleged the president shot himself. Herrero admitted having professed loyalty to Carranza and of having afterwards ordered his forces to attack the president, but said this was done to obtain information regarding the strength of the presidential escort. He stated he had received orders indirectly from Obregon to take Carranza alive. The president's forces, however, learned of the intended attack and began firing, preventing his capture.

## Saunders County Agent Will Run for Superintendent

Wahoo, Neb., June 11.—(Special.)—Mrs. Emma McDonald, Saunders county home demonstration agent, will file a petition to run for county superintendent of schools at the fall election, to fill the unexpired term caused by the resignation of Superintendent Alder, who becomes superintendent of the new consolidated schools at Mead. Mrs. McDonald has been a teacher of wide experience prior to her taking the position of county demonstrator and is also active in all woman's organizations of the county.

## Had 7 of Her Own, Took In 21 Other Children

Springfield, Ill., June 11.—This city has the prize family raiser. She is Mrs. Katherine Glover, colored. Although Mrs. Glover had seven children of her own, she took 21 others to raise and care for, according to the Springfield day nursery. Fifteen of the 21 were negro children, five were white babies and one very small one a Mexican infant. Mrs. Glover is not a woman of means—she works for her living and raised the children because of her intense love for babies.

## Breakfast in Paris, Luncheon in London, And Back for Dinner

Paris, June 9.—So successful has the London-Paris air ferry proved that there are now three expresses each way daily, with four on Thursdays and Saturdays. Three companies are in the field, one for heavy freight up to one ton in weight. It is now possible for an American doing business in both cities to visit his Paris office in the morning at 9 o'clock and to be sorting his mail at 11:30 in his office at London while at 6:30 p. m. the same day he may be back in the French capital eating his dinner.

Since the air expresses were instituted more than 3,000 travelers have made the aerial trip between the two capitals, a large majority of them being Americans.

Another company announces that beginning May 15 it will institute a regular twice-weekly service to the battlefields, taking visitors from their hotels in Paris in the morning and bringing them back again at night after visits to Soissons, Rheims, Verdun and St. Mihiel.

## HELP YOUR DIGESTION

When acid-distressed, relieve the indigestion with

## KI-MOIDS

Dissolve easily on tongue—as pleasant to take as candy. Keep your stomach sweet, try Ki-moids.

MADE BY SCOTT & BOWNE, MAKERS OF SCOTT'S EMULSION

have commanded divisions or higher tactical units or by actual service in the world war have demonstrated that they are qualified for general staff duty.

**To Discharge Officers.** Another board is headed by Lieut. Gen. Robert L. Bullard. This board will classify officers who are to be retained in the service and those who should not be retained. Officers designated for discharge shall not finally be so classified until they have been given an opportunity to appear before a board and a chance to present their side of the case.

Under the law brigadier generals shall be appointed from officers of the grade of colonel of the line, and this board will make up an eligible list for this purpose. The first board that convenes may place upon the eligible list in addition any officers of the line of not less than 22 years' commissioned service.

The fourth board appointed by Secretary Baker is to prepare a promotion list of all officers of the engineers, signal corps, infantry, cavalry, field artillery, coast artillery, Porto Rico regiment and Philippine scouts, who were appointed to the regular army or the Philippine scouts prior to April 6, 1917.

**New Promotion System.** Officers will be placed on this list according to their length of commissioned service, and will be promoted as vacancies occur from the top of the list. This list establishes

a single promotion list such as was recommended by Gen. Pershing as distinguished from the former practice of maintaining separate promotion lists in the different branches of the service. The chairman of this board is Col. Walter H. Gordon.

**Charges Custom Officials Disposed of Stolen Auto**

Bingham, Mass., June 11.—Charges that United States custom officials at the American-Canadian border dispose of automobiles that are stolen in Boston and vicinity were made in court by Fred Hines of Jackson, Mo., who was arraigned for the larceny of an automobile belonging to Max Stenberg.

Hines told Judge Kelley that he turned the Stenberg car over to custom officers and was told by them that if he could procure another car of a certain make they would pay him \$600 for it. An investigation of the charges is being made.

On the larceny charge, he was held in \$1,000 bonds for the grand jury.

**Rubber Connections.** This is the time of year to renew the rubber tubing in the cooling system. This material in time is likely to take off in the water line, partially blocking the flow.

**More Towns Gain**

Washington, June 11.—St. Johnsbury, Vt., 7,163; increase, 470, or 7 per cent.

Appleton, Wis., 19,561; increase, 2,788, or 16.6 per cent.

## A Big Sale of Linoleums and Felt Base Floor Covering

We have gone through our entire wholesale and retail stock of linoleums and set aside all remnants, odd rolls and drop patterns in all grades for the purpose of making room and cleaning up our warehouses.

In order to sell these goods quickly, we realize prices have to be very attractive—we have made them so—in many instances they will be much lower than the cost price per yard by carload.

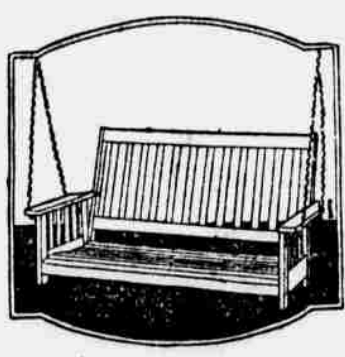

It will be absolutely necessary for customers to bring in the size of their rooms or spaces to be covered.

The sale includes hundreds of patterns in pieces that vary from a few feet square to a hundred square yards.

A few of the offerings are indicated below.

## Sale Commences Saturday at 9 a. m. and will continue throughout next week

- Lot 1—Small pieces of various grades, plain or patterned, at per piece, 25c.
- Lot 2—Remnants of Pro-Lino (felt base goods) and plain linoleums and printed linoleums, sizes from one square yard to three square yards, at per piece, 75c.
- Lot 3—Remnants of printed and in-laid linoleums large enough for bath rooms or small kitchens, at per piece, \$1.50, \$2.00, \$3.00 and up to \$5.00.
- Lot 4—Large size remnants of fine in-laid and printed linoleums, 6 feet wide and up to 15 feet long, at per piece, \$5.50, \$7.50 and \$9.00.
- Lot 5—Odd rolls of in-laid and printed linoleums and felt base goods, all six feet wide and enough to cover large rooms, at per square yard for felt base goods, 50c to 85c. Per square yard for printed linoleums, 75c to \$1.05. Per square yard for in-laid linoleums, \$1.25, \$1.50 to \$1.95.
- Lot 6—Odd pieces of printed linoleum, 12 feet wide, some large enough to cover large rooms, a few pieces slightly damaged. Priced by the piece at a great saving to the purchaser.
- Lot 7—Odd Congoleum, Pro-Lino, or felt base rugs or linoleum rugs in all sizes, some are slightly damaged, reduced 25% to 50% from the regular selling prices.
