

CADET CAMP IS NAMED IN HONOR OF BELLE RYAN

Central High Students at Valley Honor Assistant Superintendent of Schools.

By a Staff Correspondent.

Camp Belle Ryan, Valley, Neb., June 12.—The Central high cadet camp here has been named in honor of Belle Ryan in honor of Miss Belle Ryan, assistant superintendent of schools. This is the first time a Central high cadet camp has been named for a woman.

Commanding officers of the camp have emphasized the necessity of a "clean camp." Every cadet has signed a card pledging a clean camp, free from smoking, gambling and use of profanity.

The cadets are getting a heavy layer of tan, the camp having experienced nothing but sunshine during the first two days. Frank Fry was promoted to junior color sergeant, while Corbett Hoffman was promoted to regimental commissary sergeant.

A military police detachment has been formed. Captain and Regimental Ordnance Leslie Van Nostand is in charge. Cadets have open camp between 1 and 3 o'clock each day. The scouts go to Lake McCann for daily swims and canoeing. Sergeant Schofield De Long and Corporal D. L. Dimond have been appointed life guards.

"Y" Maintains Tent.

Four hundred letters have been written from the "Y" tent here. E. E. Micklewright of Omaha is in charge of the tent, which contains a phonograph, magazines and books. Honors in inspection of tents and company streets were won yesterday by Company B, Company A and Company E were tied for second place. The band was third and Company C fourth. Company F won the lines in the dress parade. Company D taking second and Company B third.

Capt. Richard Wagner is officer of the day and Lieut. Delmer Eldredge is senior officer of the guards. Lieut. Ralph Parker is junior officer of the guards. Company C is also furnishing guards.

The graduating seniors will be free to come to Omaha for commencement exercises Saturday night. All must be back by noon Sunday. Fred Hill, athletic supervisor, will be officer of the day Sunday. Sergt. Metcalfe will be senior officer and Sergt. Wood will be junior officer. Company B will furnish guards.

Company F will be on guard Sunday. Capt. Grimes will be officer of the day. Lieut. Kastman will be senior officer and Lieut. Payne will be junior officer.

Mrs. Hays Flattered When Husband Calls Her Over Telephone

Chicago Tribune-Omaha Bee Leased Wire.

Chicago, June 12.—Mrs. Will Hays is a hard woman to find. Even when discovered, in her room up toward the top of the Congress hotel, this wife of the biggest and flattest hustler in the republican party, could not see why any word from her in print would help the party nominate presidential candidates.

Mrs. Hays is not a politician, although she doesn't deny that she is interested in politics. She admits that she came to the convention for the same reason that a minister's wife goes to church—she likes to hear her husband talk.

"I have seen my husband alone only once since the convention started," she said. "That was night before last, when we went to dinner together. I was flattered today when he called me up on the phone and talked to me for 10 minutes."

Mrs. Hays, like Will, is a booster. Will was educated at Wabash and after getting all there was out of college he went across the street from the campus and got his wife. She is the daughter of former Judge A. D. Thomas and her father's home was near the college campus.

Begin Ninety-Hole Golf Match to Win Bet of Large Amount

Clarke Powell and Mark Curran, Omaha golfers, started off the first tee at the Country club golf course at 5:15 yesterday morning on their 90-hole contest for an estimated pot of \$500. At 11:15 the two golfers had completed three rounds.

Curran's card was 82, 85, 95. Powell's card was 92, 92, 92.

Hold 10 Men for Gambling At Coast Base Ball Games

Los Angeles, Cal., June 12.—Ten men, arrested in the bleachers at yesterday's Pacific Coast league base ball game here, today were charged with gambling. The arrests were part of a campaign to eradicate gambling in connection with base ball in this section, inaugurated at the instance of league officials. While the arrests were being made, it became known today thieves entered the club house and rifled the lockers of the visiting Seattle players, all of whom except one, who had hidden his money in the room, suffered losses.

Red Cross Workers Under Fire in Bolshevik Lines

Warsaw, June 12.—Word has been received here that American Red Cross workers who strayed into the bolshevik lines near the Kiev bridge head recently were subjected to shell fire. All in the party escaped injury. Medical supplies were being taken to the dressing stations when the shelling occurred. The party had made the trip the previous day, but during the night unknown to the Americans, the outposts were withdrawn a few kilometers. They did not realize their position until the bolsheviks began firing.

Ex-Premier Orlando Mentioned for Place In Italian Cabinet

Rome, June 12.—While the entire press of Rome agrees in the announcement that former Premier Giolitti has been entrusted with the task of forming a new cabinet there are notable differences among the newspapers regarding the probabilities as to the makeup of the ministry. They are free, however, in mentioning the names of parliamentarians such as former Premier Orlando, Prof. Luigi Luzzatti, former minister of the treasury, Signor Meda, ex-minister of finance, a Catholic deputy and Signor Bonomi, minister of war in the Nitti cabinet, as likely to be given ministerial posts, while some of them suggest the possible return of Baron Sonnino, former foreign minister, to a cabinet position, thus making a coalition government possible, notwithstanding the refusal of the socialists to participate in the government.

According to the Giornale d'Italia, Signor Giolitti, if he succeeds in forming a ministry, intends going to the Spa conference in person, intending to make himself responsible for the foreign policy of the government.

Murray Butler Will Not Withdraw From Presidential Race

Chicago, June 12.—Nicholas Murray Butler sent word to members of the New York delegation while they were preparing to caucus this morning on the situation that he would stick in the race for the presidential nomination and would not release his delegates. Efforts were made by some of the New York delegation to have Mr. Butler withdraw. Charles D. Hilles informed Senator Wadsworth before the caucus that he and his friends would continue to vote for Mr. Butler.

Presiding Episcopal Bishop Sails for England

New York, June 12.—Bishop Thomas F. Gailer, presiding bishop of the Episcopal church in the United States, sailed today on the steamship Philadelphia to attend the Lambeth Episcopal conference in England. With him were also Bishop Henry J. McKim of Atlanta, Ga.; Bishop John McKim of Tokyo, and Dr. William E. Gardner, head of the department of religious education.

Bishop Gailer has been chosen to preach the final sermon of the Lambeth conference in St. Paul's cathedral, London, July 15.

Mme. Calli-Curci, the opera singer, paid an income tax of nearly \$75,000.

Lloyd A. Magney, attorney, was sued for divorce in district court yesterday by his wife, Grace Magney. They were married in June, 1914. Mrs. Magney was Miss Grace Crogan.

This suit follows closely upon the heels of a divorce granted a month ago to Mrs. Roberta Kitchen from "Dick" Kitchen, of the Paxton hotel. "Dick" and Lloyd have been bosom friends for a long time.

A few weeks ago when the Magney troubles became acute they broke up housekeeping at 4809 Capitol avenue. Lloyd went to live at the Paxton and Mrs. Magney returned to live with her mother, Mrs. Anna Cronin, 211 South Twentieth street.

Mrs. Magney makes a technical charge of cruelty and asks for the custody of their daughter.

"It's merely a case of incompatibility," said Mr. Magney.

Lloyd Magney is a son of George A. Magney, former county attorney. They practice law together in the firm of Magney & Magney, with offices in the Omaha National Bank building.

"I am very sorry this had to happen," said Mrs. Magney. "But there was no other way."
