*And Plenty of them Have Been Selling
For More Than Double the Price!*

It was only by sending a representative to Chicago to make a special plea, based upon the tremendous volume of business we do with them, that HART SCHAFFNER & MARX were induced to sell us another lot of EIGHT HUNDRED SUITS at a figure that enables us to offer them at a price utterly inconsistent with their actual worth.

The suits came in this week—the best and biggest lot yet received—and they are probably the last lot we will be able to obtain from Hart Schaffner & Marx at this extremely low figure.

What About Large Sizes?

Plenty of 'em—and plenty of small ones, too! We don't believe anyone will walk out on account of the size question.

And we're going to do our best to have enough salesmen to render prompt service, if possible.

Right in the very heart of the season—it's a wonderful opportunity to get suits that are desirable for wear this summer or fall.

All the styles for which men and young men have shown favor this season are represented—double and single-breasted, in grays, browns, greens, blues and mixtures. The fabrics represented are serges, cassimeres, finished and unfinished worsteds.

There isn't a suit in the sale made by anyone except Hart Schaffner & Marx—and it's all fresh, new clothing, right from the maker.
