vided that the name of Jennie June Croley, founder of the woman's club movement in the United States, be placed on a tablet in the hall of

The federation refused to abolish the office of auditor, although it approved the elimination of the office of state secretary. A proposal that state presidents be removed from membership on the advisory committee was rejected.

Teas Don't Get Votes.

Teas don't get votes, Mrs. Edward Franklin White of Indianapolis, chairman of the civics committee of the general federation of women's clubs, said today at the biennial convention. She advised the women to "cut out the teas" if they expect to enter and continue in politics successfully.

"The teas at Chicago were one reason, I believe, why the men did continued Friday morning to be the not rate us women higher political-
