SPECIAL NOTICES.

AT the last meeting of the Colored Commercial club the resolution was passed, severely condemning and criticising certain religious, charitable and social organization, perniscuously and continually soliciting alms from the public for these questionable enterprises. The club wishes to inform the public, through the various newspapers, that only those organizations and those people who have the written approval of said Colored Commercial club should be considered as worthy of the consideration of the public. Such written approval will be given after a searching investigation of the different organizations as to the worthiness of their cause established beyond a doubt.

SALESMAN WANTED
We have a splendid opening for a city salesman. Preferably he should be a young man with considerable advertising knowledge and some practical experience. He should have some experience as a salesman, and, of course, we should like to get a man with a good acquaintance in Omaha. He must be wide awake and a hustler, attentive to business, and of reliable habits. He will work on a commission basis, which is the only basis on which he can control his earnings. A reasonable drawing account will be provided to take care of necessities while he is "getting his hand in." He will be given the necessary instructions and full co-operation, including leads, and proper application should result in his being able to make good money from the start and rapidly increase his income as time goes on, as the result of building up a trade. If you think you are the man, or could become the man, write us at once, telling us why; in other words, sell yourself in your letter. Address: Sales Manager, Box Q-6, Omaha Bee.

A DOUBLE SALARY
WHY NOT?
After you have called on your regular trade in each town, would you be willing to make a pleasant short call in order to draw another fair-sized salary each week? Any merchant, manufacturer or banker is your customer with this new item. It's the big commission-getter and sales winner. The wonderful five minute sales talk and pocket sample is yours upon receipt of your letter or postal. Just say "Send me your money-making offer." By answering now you will at least have the satisfaction of knowing that you have not passed up a double salary offer without investigation.
