NESTLE'S MILK FOOD

Louise Forsyth

Atlanta, Ga.
Nestle's Food Company.
My friend met a friend
who was so interested in
our baby that he wanted to
know what he had raised
her on. I told him Nestle's
Food and he was so im-
pressed with her physical
condition, weighing 31
pounds at 18 months, that
he suggested I communicate
with you, as you would be
interested to learn of our
success with Nestle's Food.
This is her second Summer
and she is getting along very
nicely. Yours truly,
J. A. FORSYTH, Jr.

THIS is a typical
Nestle case.
Nestle's has stood
the test of three gen-
erations. And today
more babies are fed
on Nestle's than on
any other baby food
in the world.
