Officers of the Fontenelle Park Celebration association, which will hold a city-wide celebration on Monday, July 5, announce that the only contribution made by the city government toward the project is the music and they explain that it is necessary for their organization to raise money through memberships and contributions.

They asserted that the celebration will cost \$4,000, nearly half of which will be spent for fireworks.

The finance committee has mailed 1,000 letters to business men explaining the scope and objects of the association and asking for contributions. The forthcoming celebration will be the seventh annual Fourth of July event held under the auspices of the organization, which started from a neighborhood fair and grew to a city-wide proposition. Many thousands witnessed the evening fireworks in Fontenelle park last July Fourth.

McCullough Principal Speaker.
John N. Baldwin will deliver the address at a flag raising ceremony, which will be held at noon in Fontenelle park on July 5, and Col. T. W. McCullough will be the principal speaker. Several others have been invited to give addresses.
