SPECIAL NOTICES. SPECIAL NOTICES.

AT the last meeting of the Colored Commercial club the resolution was passed, severely condemning and criticising certain religious, charitable and social organization, perniscuously and continually soliciting alms from the public for these questionable enterprises. The club wishes to inform the public, through the various newspapers, that only those organizations and those people who have the written approval of said Colored Commercial club should be considered as worthy of the consideration of the public. Such written approval will be given after a searching investigation of the different organizations as to the worthiness of their cause established beyond a doubt.
