FARM LANDS. Wanted.

Wanted.

FARMS WANTED—Sell your land to an lowa buyer. The best way to reach them is through an advertisement in the "Farm Land" columns of their favorite papers, The Des Moines Register and The Evening Tribune. The Frank Land company, Cheyenne, Wyo., says, "The results from the Des Moines Register and the Evening Tribune are not equalled by any other paper that we advertise in." The Stoutenburg Land company, Butterfield, Minn., told us, "We sold three farms in a single day through a previous advertisement in your papers." You, too, can sell your land by the same plan. Send us an advertisement describing your land in detail, how many acres, its distance from town and school; what improvement it has, if any; how many acres are under cultivation; how much pasture; whether there is a good water supply—in fact, tell all the things about your farm that you would want to know if you were buying it instead of selling it. Then we will tell you, without obligation on your part, how little it would cost you to reach these lows buyers through a good, convincing advertisement in our "Farm Land" columns. Write today and get in touch with the prospective buyers who are in the market now. The Des Moines Register and Evening Tribune, Dept. 54. Des Moines, Iowa.
