MEN AND WOMEN BANDITS USE GIN BOTTLES IN HOLDUP

Roadhouse Proprietor Rout Them With Same Weapons After 12 Cents Is Stolen.

Two women and three men attempted to hold up the Louis Scheschy roadhouse, three and one-half miles north of Florence, Tuesday night, using bottles as weapons. They were put to rout by the proprietor, who used weapons of the same character. Loot obtained by the bandits in the raid totalled 12 cents, taken from a girl victim.

One of the men walked into the place and pointed a "gun" at Scheschy, ordering him to throw up his hands. The proprietor seized a ginger ale bottle and threw it at a bandit. Then he pursued him through the door.

In front of the place two men and two girls were standing with their hands in the air. Two other men were covering them with their trick "revolvers," while the two bandit women were searching the victims. Scheschy observed that the "guns" were merely bottles and boldly attacked the gang.

The Bee's Fund for Free Milk and Ice

ONE SICKLY, SUFFERING BABY plus ONE DOLLAR equals ONE HAPPY, HEALTHY BABY.

That, in many instances, is just as true as that 2 plus 2 equals 4.

Scores of babies and young children in Omaha need nothing more in hot weather than plenty of pure milk to make them strong and happy.

Generous people in Omaha and outside Omaha are supplying the fund. The Bee, through the Visiting Nurses, is administering the fund without one penny of "over-head expense."

Send or bring any amount, from 10 cents to \$5, to The Bee office. Some baby is waiting to drink the milk.

Wilson Appeals to Labor Board to Give Decision This Week

Washington, June 23.—President Wilson sent a message today to the railroad labor board at Chicago, urging that it make an immediate award of the wage controversy. The text of the message was not made public at the White House.

Announcement of the president's action was made after W. N. Doak, vice president of the trainmen's brotherhood, had called at the White House and conferred with Secretary Tumulty.

Mr. Doak declined to discuss his conference with Secretary Tumulty, but said he would have a statement later in the day.

Mr. Doak, in a statement issued

after he had conferred with Mr. Tumulty and with Secretary Payne, head of the railroad administration, said the heads of the railroad brotherhoods hoped there would be a settlement of the wage question this week, and that if not, "probably the situation will be much worse than at present."

SEARCH OUT THE GERMS OF RHEUMATISM

Find Out What Causes Your Suffering and Go After It.

"What is Rheumatism?" is a question that has not yet been answered entirely satisfactorily. There are still different opinions as to its exact cause, but little doubt that its pains are real.

The medical profession is practically agreed upon one point, however, and that is that Rheumatism is more than a series of local pains, and that the real cause of the disease is deep-seated and cannot possibly be reached by remedies applied to the surface.

Some forms of this disease have been found to come from tiny germs in the blood, which set up

their colony in the muscles or joints and begin to multiply by the million. You can easily understand, therefore, that the only intelligent method of treating such cases is through the blood.

S. S. S. is such a thorough blood purifier and cleanser that it can be relied upon to search out all disease germs and impurities and eliminate them from the system, and this is why it is such an excellent remedy for Rheumatism.

Go to your drug store and get a bottle of S. S. S. today, and if your case needs special attention you can obtain medical advice free by writing fully to Chief Medical Adviser, 602 Swift Laboratory, Atlanta, Georgia.

Aged Farmer Who Has Work For Two Men Can't Get Them

On account of the scarcity of farm help John A. Swanson of Saunders county, a visitor at the local stock market Wednesday with a load of hogs, said that despite his 69 years, he was compelled to don working clothes and get out in the fields and hustle behind a plow to get in his spring planting.

He said he had enough work on his farm for two men, but was unable to get them.

The whole system of distribution has been upset by transportation conditions, which affected the entire nation, and production difficulties in the woolen mills. Many of the fine wools bought by the House of Kuppenheimer and Society Brand were delayed beyond possibility of seasonable manufacture.

The Nebraska Clothing Company, being one of the largest distributors of these famous clothes in America, we seized the opportunity to make a special purchase at sensational price concessions, knowing that quality clothes like these at sale prices in mid-season would quickly win public approval.

Besides we have added several hundred Kuppenheimer and Society Brand Suits from regular stock. All Fabrics—All Patterns—All Colors—All Styles—in all popular models for Men and Young Men.
