

Bill of Exceptions Is Filed for Appeal Of Senator Newberry

Grand Rapids, Mich., June 25.—A bill of exceptions and assignment of error filed for Senator Truman H.

Newberry and 16 others convicted last March on charges of corruption in the 1918 senatorial election has been approved by Judge Sessions in federal court and the case will go to the United States supreme court as soon as the printing is completed, it was stated here today.

Senator Newberry was sentenced to two years' imprisonment in Leavenworth and fined \$10,000. All the convicted men have been at liberty under bond pending perfection of the appeal.

Federal Authorities Join Nationwide Hunt For Kidnaped Youth

Norristown, Pa., June 25.—Federal government today took a hand

in the hunt for the kidnapers of 13-month-old Blakley Coughlin. Recovery of the baby or arrest of the kidnapers or "The Crank," who obtained \$12,000 ransom by representing he had the child is sought by the chief postal inspector here. Cards describing the baby were mailed today with his picture to all postoffices in the United States.

50 Are Injured When Grandstand at Church Convention Collapses

Buffalo, N. Y., June 25.—A platform erected for the purpose of taking a group picture of the 5,000 dele-

gates at the Baptist convention collapsed this afternoon at the Broadway auditorium. Fifty persons were injured, half of them women. Three persons were severely hurt and several others were cut and bruised. Mrs. Maud Northrup of McMinnville, Ore., suffered a wrenched back. Most of the 3,500 delegates had left the building.

The convention today, by a unanimous vote, condemned "propaganda, religious or political, which seeks to induce the government of the United States to meddle with the internal affairs of Great Britain." The resolution, introduced by A. C. Dixon of Los Angeles, was adopted without debate.
