Choice of Our Entire Stock of **"Little Mary Mix-Up" Dresses**

For Girls from 6 to 12 at

\$6.95

These attractive dresses have many features to commend them to mothers. The rubber band in the skirt produces the cunning bloomer effects and the tapes inside insure proper fit and regulate the length—enough material being used to allow for generous hem when the elastic is removed.

Mothers will appreciate these dresses for their serviceability, and, too, because they will be just as bright and colorful after tubbing as they were brand new.

There is a size for every little girl from 6 to 12 years, and we are sure every little girl is going to want one or more.
