

ABBOTT ELECTED GRAND EXALTED RULER OF B. P. O. E.

Stirring Address on Americanism Made by Retiring Head, Frank L. Rain Of Nebraska.

Chicago, July 6.—William A. Abbott of San Francisco was elected grand exalted ruler of the Benevolent and Protective Order of Elks today at the first business session, which convened here this morning.

The Californian was named by acclamation in one of the most enthusiastic meetings of the lodge held in years, and with the naming of this man as the executive head a record of achievements in Elksdom was reflected.

The report of the Elks' war relief committee was submitted by former Governor John K. Tener of Pennsylvania and the report of the committee on social and community welfare was submitted by W. W. Mountain.

Nearly 1,000 Elks and their families left early today for excursions. Americanism was the keynote of an address by Frank L. Rain of Fairbury, Neb., grand exalted ruler of the Elks.

"We put 70,000 men in the service with 'Black Jack' Pershing at their head," Mr. Rain said. "We erected two hospitals in France and two in America. We paid for the maintenance of 20 community houses for the aid and comfort of our heroes. Our records show that 1,037 Elks 'went west.' Could any organization have more cause to be proud?"

"We are ready to do it again. The Elks are American first. They will go the limit for their country. To the last man and the last dollar, that has always been our record."

The report of the committee shows that the increase in members in the last year was the largest of any previous year. Twenty-six lodges were added, with a net increase of 118,131 members, bringing the total membership to 645,678.

New officers will be elected Tuesday and installed Wednesday.

Prominent Banker At Page Found Dead In Barrel of Water

O'Neill, Neb., July 6.—(Special Telegram.)—Eugene H. Smith, president of the Farmers bank of Page, Neb., a state bank, was found dead in a cow pasture in the outskirts of Page Tuesday morning. His head, arms and shoulders were submerged in a half-barrel tub, half full of water. He had been dead several hours when found.

Mr. Smith had been in poor health for over a year, as the result of influenza and evidently had suffered an attack of faintness or stroke of apoplexy causing him to fall in the tub.

With his family he had attended a celebration at Orchard, near Page, Monday and Monday evening conversed with friends evidently in excellent spirits. He apparently did not go to bed Monday night, but remained up reading, not unusual with him, and early Tuesday morning, taking a milk pail, went to the pasture where he kept the family cow. Tracks showed where he had climbed through the fence and approached the tub which stood close to the fence.

An inquest was not deemed necessary by the county attorney.

Mr. Smith was one of the early settlers of Holt county and his bank is the oldest one at Page. He was prominently known in Omaha, Lincoln, Norfolk and Sioux City banks because of his knowledge of arm and live stock conditions and securities.

Airplane Ride Starts Romance Which Ends In Pilot's Marriage

William E. DeWald, Omaha air mail pilot, took Miss Georgia MacDonald of New York for an airplane ride back in Indianapolis three years ago.

Miss MacDonald enjoyed the ride, so DeWald took her for another and still another ride. Thus began a romance which culminated in Omaha Sunday when the two were married.

The ceremony was performed at the home of A. H. Fetters, 2711 Poppleton avenue, by Rev. A. A. Atack of the Hanscom Park Methodist church. The bride is a striking brunette of 21 years. Her husband, tall, lithe, a typical aviator, is 27 years old.

They will live at the Hamilton apartments during the summer.

Judge Baldwin Sits In Police Court to Relieve Congestion

Judge Arthur E. Baldwin, judge of Division No. 2 of the municipal court, appeared at the South Side police station Tuesday afternoon and surprised the police officials in charge with the announcement that he was ready to try any cases on hand and a hurry up call was sent out for Perry Wheeler, assistant city prosecutor.

John Hays was fined \$10 for being drunk.

Judge Baldwin was not recognized by most of the police officials as the judge has not been down to the South Side since last September, when he occupied the bench for a couple of weeks for Judge Fitzgerald. He said he was willing to help move the congestion and will sit on the bench this morning.

The judge reiterated the statements of Judge R. M. Patrick that the police judges had a habit of leaving the city without notice and that the municipal judges served in their places without pay or time or expenses. Judge Baldwin was in a cheerful mood and said he would do all he could to relieve the situation.
