Donating?
 Yes, if you pay rent

At the end of each month, all the money you pay for the privilege of living somewhere, is gone.

So is the privilege.

Start paying that big rent money on a home of your own, and stop the donation. Buy something that won't vanish at the end of each month.

You folks that dig up \$50 to \$90 a month for rent—it won't take long to buy a home at that rate.

Volunteers Called

By Poles to Resist Advance of Soviets
 Warsaw, July 8.—(By the Associated Press).—Volunteers for immediate service against the advancing Russian bolshevik forces are called for by the Polish national council of defense in a manifesto just issued. Men unfit for active service are urged to register in order to release officer men for duty at the front.
 The document, which bears the signature of President Pilsudski, declares the struggle is a fight against bolshevism rather than against Russia.
 Another proclamation, addressed to the soldiers, says the decisive moment has arrived. It assures the soldiers that in case they are wounded their income will be continued by the government, and that provision will be made by the government for the families of those killed in battle.
