

ELEVATORS GET PERMITS UNDER NEW STATE LAWS

Many Companies Preparing to Handle Nebraska's Bumper 1920 Wheat Crop—22 Have Applied Already.

Lincoln, Neb., July 15.—(Special)—Elevator companies out in the state are preparing to take care of the present wheat crop by making application for licenses under the state law as required by the public grain warehouse law, giving them the right to charge for the storage of grain. Twenty-two already have made application to the State Railway commission for permits, as against a total of only 27 last year. Under the law the following paragraphs apply particularly:

Section 2. Every public warehouseman handling grain, and each year file application with the State Railway commission for license to do business under the terms of this act. Said application shall set forth the location of the grain elevator or grain warehouse, its relation to railroad tracks, its capacity, its general plan and equipment, its ownership, the amount of grain handled through it during the previous year and what portion the same was used for storage purposes. The application shall be accompanied by a bond running to the state of Nebraska for an amount equal to the full value of all grain likely to be held in storage at any one time, and to be received from the state treasurer showing payment of the annual license fee of \$2 for each warehouse to be operated. The warehouseman shall be liable on his bond for all loss or damage, whether or not caused by fire, theft, or other cause, except loss due to changes in market value, to all grain held in storage in his public warehouse. In case of delay in delivery of said grain by the warehouseman on order of the owner thereof said warehouseman shall be liable on his bond, as provided in Section 4 of Chapter 24, Session Laws of 1915.

Section 3. Upon demand, presentation of any receipt, and payment of lawful charges thereon, the grain represented thereby, or any part thereof, shall be immediately delivered to the owner, on his order and the part so delivered shall be subject to any further charge for storage after delivery. Facilities for receiving and shipping the same have been provided in all cases. No other charges shall be made and facilities for delivery shall be made as rapidly as can be done by ordinary diligence. In case of emergency, when grain is demanded, the warehouseman shall forthwith issue and deliver to the owner or his order a receipt, which shall conform to the receipt issued for the grain under Section 3 of this act, and such receipt shall be valid and enforceable in all courts of law.

Section 4. No more and no less than the following lawful scale of storage charges shall be charged for received or put in all public warehouses, viz: For the first 15 days for all grain received in wagon load lots and for each bushel for the first fifteen days for all grain received in carload lots; thereafter 1.50 of the per day. These charges shall be full compensation for receiving, handling, storing, insuring and delivering. No discrimination shall be made between different customers by any public warehouse, either in facilities, charges or handling of any grain under this act.

Says Bank President Did Not Sell Majority Stock
Waterloo, Neb., July 15.—(Special)—J. A. Pound, vice president of the Waterloo State bank, says that statements that R. L. Pound, former president of the institution, sold four-fifths of the stock in the bank to Cory and Sunderland of Omaha, is erroneous. The vice president avers that the former president held only 54 shares of a total of 150 shares of stock. He says he is holding 73 shares of the bank stock himself, but has been handicapped in business by the report which was circulated.

McCook Wheat Averages 32 Bushels to the Acre
McCook, Neb., July 15.—(Special)—E. J. Ludwig of this city brought the first 1920 wheat to the McCook market this week. With a combined cutter and thrasher he and one assistant harvested 425 bushels Monday afternoon. The wheat averaged 32 bushels to the acre and tested 63 pounds to the bushel. Mr. Ludwig has about 400 acres in wheat this season.

Rush Ord Paving
Ord, Neb., July 15.—(Special)—Ord's streets soon will be streets instead of seas of mud and ocean waves. The paving contractors have begun work, and with nearly all of the curbing in and most of the grading done, the work of actual paving will be started at once.

Rain Booms Corn
Beatrice, Neb., July 15.—(Special)—Showers fell in this section of Nebraska Tuesday night following a day of intense heat. The moisture will be beneficial to the crops of all kinds, especially corn, which is making great progress and promises a bumper crop.

High Court Affirms Hall County Opinion On Farm Bureau Law

Lincoln, July 15.—(Special)—An appeal from the board of county commissioners of Hall county, seeking to test the validity of the farm bureau law, has resulted in the affirmation of the opinion of the Hall county district court that the law is valid, the supreme court today declaring in favor of the action of the lower court, saying that the law is broad enough to include provisions relating to the duties of a county farm bureau, to the employment and payment of a county agent, to the appropriation and disbursement of public funds and the payment of the expenses of such bureau. The court also declares:

"County farm bureaus are governmental agencies entrusted with the duty of disseminating among farmers scientific knowledge of an educational nature for the improvement of agriculture and the statute recognizing them as such is not void as delegating power to an unauthorized body or as creating new county officials."

The action was brought by members of the farm bureau of Hall county to compel the members of the county board to make an appropriation of county funds for the purpose of carrying on the work of the bureau.

Alleged Burglars Escape From Broken Bow Jail

Broken Bow, Neb., July 15.—(Special)—Gus Lundberg and Chas White, who were held in the county jail waiting trial for breaking into five business houses in Mason City, broke jail, Tuesday night. Taking advantage of the fact that the sheriff was out of the city on another case, they sawed one of the window bars in two, pulled out the short end, and escaped through the small opening.

The men were seen while at work by someone passing the jail, but while he was spreading the alarm the prisoners escaped.

Beatrice Catholics Plan New \$75,000 Structure

Beatrice, Neb., July 15.—(Special)—The members of St. Joseph Catholic church of this city are making plans to build a \$75,000 church, and in the first drive yesterday the sum of \$11,000 was raised. The proposed new edifice will be erected near the site of the old church at Sixth and High streets. It will be a Phillips Graff heads the list of contributors to the church fund with \$5,000, Ben Kroos, \$3,000, and Frank Grell, \$2,000. Every parishioner of the church has agreed to give one day's wages toward the new edifice.

New Railroad Will Offer Farmers Big Advantage

North Platte, Neb., July 15.—(Special)—The railroad that is being considered north and south from Culbertson through Wallace, will end on the north at North Platte, total of 91 miles. The railroad will open up some of the best farming territory in the state. Farmers now have to haul their wheat 25 to 30 miles to a railroad, costing about 7 to 10 cents per bushel. With the railroad it will amount to approximately 1 to 3 cents. The estimated cost is \$20,000 per mile, including one engine and two cars.

Lutherans Will Meet

Deshler, Neb., July 15.—(Special)—The Lutheran churches of the Iowa synod, of Thayer and neighboring counties, will hold a mass meeting on the fair grounds at Deshler, Sunday, August 1. Prof. Geo. Fritschel of Iowa; Rev. J. J. Vollmar of LeMars, Iowa, and other speakers will be present.

Vandals Damage Binders

Beatrice, Neb., July 15.—(Special)—George Palmer and M. K. Christensen, two farmers living near Liberty, reported to Sheriff Schiek Tuesday that Monday night someone mutilated the canvas on their two binders with a knife, badly damaging the machines.

Ex-County Attorney Paroled From State Prison to His Brother

Lincoln, Neb., July 15.—(Special)—Art Koenigstine, former county attorney of Madison county who was committed to the state penitentiary February 6 for accepting bribes for the protection of immorality in Norfolk was paroled today by Secretary H. H. Antles of the department of public welfare.

Sewer Work Progresses

Broken Bow, Neb., July 15.—(Special)—Contractor Smith has had a large force of men working on the construction of the sanitary sewer and storm sewer here for the past 10 days. The disposal plant is being pushed rapidly. The paving operations are expected to begin within a few days.

Man Fractures Skull

McCook, Neb., July 15.—(Special)—Mr. G. W. Trimpey of Culbertson was brought to a local hospital suffering with a fractured shoulder blade and skull, the result of an accident Tuesday afternoon near Culbertson. Mr. Trimpey was assisting in repairing a windmill. A piece of iron casting fell from the mill platform on his head and shoulders.

Supreme Court Will Not Grant New Trial To Murderer of Wife

Lincoln, Neb., July 15.—(Special)—The supreme court sustains the verdict of the Cherry county district court in an application made by Joseph Blazka, sentenced to life imprisonment for the murder of Francis Blazka, his wife, for a new trial on the grounds that the information failed to charge that the woman died as a result of the wounds inflicted by the husband. The court holds that if the information fairly and with reasonable certainty charges the elements of the crime of murder, it will be held sufficient.

Former Gage Man Dies

Beatrice, Neb., July 15.—(Special)—David Titus, a former resident of Gage county, died Tuesday at his home at Longmont, Colo., where he located some years ago. His son, Al Titus, has gone to Longmont to attend the funeral.

Sure Way to Get Rid of Dandruff

There is one sure way that never fails to remove dandruff completely and that is to dissolve it. This destroys it entirely. To do this, just get about four ounces of plain, ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

You can get liquid arvon at any drug store. It is inexpensive, and our ounces in all you will need. This simple remedy has never been known to fail.
