Cummings Says He Thinks Bryan Will "Fall in Line"

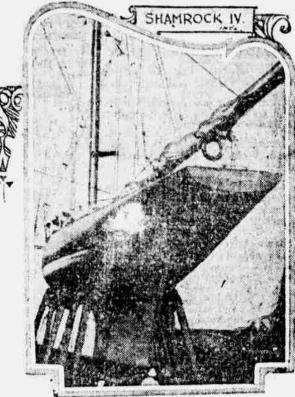

Salt Lake City, July 15.—Hints at the campaign plans of the demo-cratic presidential and vice-presidential candidates were given in a state ment by Homer S. Cummings, chair-man of the party's national committee, while here on his way east from San Francisco.

"I am sure both the democratic candidates will get out and get acquainted and give the people a chance to get acquainted with them," he said. "There will be a hard fight and the republicans are admitting it. though they would not have done

so a month ago. "Mr. Bryan undoubtedly will fall in line. He was disappointed be-cause there was not a prohibition plank in the platform, but one platform is just as dry as the other. Ringer Says Police

Have No New Clues

In "Mystery Murder"

Police Commissioner Ringer states

that he does not have any evidence which would lead to the apprehen-

sion of the murderer or murderess of the "mystery girl," whose body

was found in Washington county

last year. "When Grace Ballard, county at-

torney of Washington county, came

to Omaha in connection with this case we offered to co-operate in

every way we could and use every

bit of information given us to as-

sist in clearing up the mystery," said Mr. Ringer. "I told Miss Ballard that the po-

lice department did not have any

funds with which to send men to

other cities to run down clues, but

explained to her that if funds were

provided we would follow up information even outside of Omaha.'

Spencer, Neb., July 15.—Spencer has crganized a professional base ball team and intends to give the other teams on the Winner line and the nines of the Sunshine league in South Dakota some stiff tussles. In addition they have a fast supporting team and they should be able to give a good account of themselves. Spencer will stage a carnival and base ball tournament from August 9 to August 14, and during that week will meet Platte, Geddes, Lake Andes, Wagner, Winner and Dalias. In addition efforts are being made to secure the Stecher team from Dodge for a series of games, and these should prove a great drawing card, not only because the popular wrestler backs this team, but plays himself.
