AIR MAIL PILOT FLIES AT DUSK TO FINISH TRIP

De Wald Lands at 8:40 P. M. With Darkness—Violated Custom to Make Schedule.

Bearing about 50 pounds excess mail from eastern points, Pilot William E. DeWald of the air mail service, landed his plane on the government field in Omaha Thursday at 8:40 p. m.

This marks the first time since the inauguration of the Omaha-Chicago division of the air mail service that a pilot has flown after daylight in order to deliver his cargo of mail as near the scheduled time as possible.

Pilot DeWald left Chicago at 11:10 a. m. Thursday, but stopped at Iowa City to adjust his motor. He was detained at the Iowa way station until 6:15 p. m.

Makes Dusk Flight.

Instead of transfering his mail to a train which would have delayed its delivery in Omaha, Pilot DeWald hopped off at 6:15 p. m., which resulted in his flying into Omaha at dusk.

Pilot DeWald's plane carried 400 pounds of mail, the heaviest load yet transported by airplane from Chicago to Omaha. The regulations specify 375 pounds, but the average weight of mail brought to Omaha by air has not passed 350 pounds.

Pilot Clarence Lange, who received engine parts Wednesday by parachute from DeWald's plane en route to Chicago, at Grinnell, Ia., hopped off Ak-Sar-Ben field yesterday at 1 p. m. in DeWald's plane for his regular trip to Chicago.

Lange's ship is still at Iowa City. Pilot H. H. Rowe, recently assigned to the Omaha-Chicago division, was expected to arrive yesterday from Chicago about noon. He left the Windy City at 8:40 a. m.

Judges Abandon Plan To Curtail Divorces In Vacation Months

District Judge Sears yesterday announced that the "divorce mill" will not be shut down for the summer, as had been decided by the district judges a few days ago.

He declined to say whether this decision was based on the theory that closing up on divorces for six weeks might be unconstitutional viewed as "cruel and unusual punishment" upon unhappy couples.

"I just decided that it would pile up the work too much by fall. We'd have to run day and night in September if we closed down on them now. So I'm going right ahead with the regular divorce grist at the mill all summer."

Divorced Wife Must Give Up Home and Insurance Policy

Gustav Knosp was granted a divorce from Mary M. Knosp by Judge Sears in district court yesterday on grounds of cruelty.

Mrs. Knosp is ordered to surrender property of his including their home, 904 South Forty-fifth street and his insurance policy. To her the decree gives their piano and $500 alimony.

RAIL GUARANTEE COSTLY AFFAIR TO GOVERNMENT

Summary for First Three Months Shows Approximately $225,000,000 Necessary To Make Up Deficit.

Chicago Tribune-Omaha Bee Leased Wire.

Washington, July 16.—It cost the government approximately $225,000,000 to make up the railroad deficit in the three months after March 1 when the new transportation act went into effect. If the deficit continues at the same rate for the remaining three months of the six months' guaranty period, the government will be out approximately $450,000,000.

The Interstate Commerce commission gave out a partial summary for the month of May showing a deficit of $7,266,964 in net railway operating income for all classes of roads, except the Pennsylvania and the Burlington, and a few small roads. For the first five months of 1920 these roads had a net railway operating income of $47,923,347 as compared with $82,947,846 in the same period of 1919. The figure of $47,000,000 includes back railway mail pay earned two years ago and which amounted to approximately $50,000,000 for all roads. Eliminating the back railway mail pay therefore the railroads earned practically nothing.

Operating revenue for the country as a whole increased from $327,675,349 in May, 1919, to $363,173,631 in May of this year. Expenses increased from $280,494,990 to $346,039,975, and from $31,730,918 to a deficit of from $31,730,918 to a deficti of $7,266,964.

Revenue in the western district rose from $141,955,743 to $158,969,982, but expenses increased from $118,790,578 to $145,130,349.

Net income fell from $16,060,615 to a deficit of $745,679.

Revenues for the country as a whole for the five months ended with May, rose from $1,523,046 to $1,781,063,569.

Expenses increased from $1,364,957,950 to $1,631,655,489. Net operating railway income fell from $82,947,746 to $47,923,347.

Revenues for the five months period in western districts rose from $653,762,932 to $782,529,675. Expenses increased from $571,161,695 to $687,128,035. The net railway operating income dropped from $48,503,905 to $29,985,697.

EFFORTS TO FIND MISSING CHECKS PROVING FUTILE

Chemical Firm Has No Record —Girl Asks Probe—Bank Cashier Stolid.

Efforts to trace the three checks which constituted the $861.99 deposit Miss Julia Napier alleges she made at the American State bank for the All-American Chemical company have proved to no avail.

No office record of the checks was

kept by the chemical company, according to M. P. McKinney of the chemical firm. He says he does not recall from whom the checks were received by him.

J. W. Hastings, receiving teller at the bank to whom Miss Napier says she made the deposit denies two entries in the chemical company's deposit book were made by him.

"Someone outside the bonk did that writing," he said today.

Miss Napier says he made the entries with a fountain pen in explanation of the fact that the entries do not correspond in character to entries made for other deposits.

The American State bank says it has no record of the deposits or the checks.

Miss Napier seeks to have an investigation made by officials of the bank, but the latter say they have no way of starting an inquiry and contend first steps should come from the chemical company.

Omaha Boys Win Honors At Y. M. C. A. State Camp

Thirty-five Omaha boys, who have attended Camp Sheldon, Columbus, Neb., for the past 10 days at the state Y. M. C. A. camp, returned home Thursday afternoon on a special car on the Union Pacific.

The camp was a great success for the Omaha boys who carried off many honors. Ralph Barris, Ninth and Locust streets, received a book for being the most unselfish boy in camp. Out of 26 honor awards Omaha boys won 18.

The Omaha boys who received honor monograms were: Donald Brown, William Connor Donald Haseltine, Steve O'Donnell, Dean Ringer, jr., Larvin Rullman, Henry Shultz and Matt Wigton.

The following received second degree honor gold pins: Ralph Barris Merle Hanna, Russell Hunter, John Madgett, Parks O'Brien, Anton Pastory, Delbert Pierce, Hiram Prucka, Henry Smith, Leroy Zust. John Madgett of Omaha received the honor of being the best camper.

Two Hurt In Street Car Wreck Show Improvement

Mrs. Ella Thomas, 2333 Munroe street, who was injured in a street car accident at Twenty-fourth and U streets, Wednesday night, will probably recover, according to attendants at Nicholas-Senn hospital.

The condition of Josephine Ballew, colored, 5514 South Twenty-first street, is also improved.

Two Small Girls Are Missing In Ontario; All Trace of Them Lost

Thorold, Ontario, July 16.—Two girl children have disappeared here within the last few weeks and thorough search by volunteer parties of citizens has failed to reveal a trace of them.

Kathleen Beechman, 6 years old, dropped out of sight on May 24. On Tuesday 4-year-old Margaret Boocock was left playing on the lawn in front of the public library while her mother entered the building. When Mrs. Boocock came out Margaret was gone.

David McNeil, a laborer, was arrested today. Neighbors said he had been seen talking to the Boocock child. McNeil does not deny this, the police say, but claims she left him and he thought she was going home.

A. O. U. W. On Sound Basis, Says Judge Oberfelder

"The Ancient Order of United Workmen of Nebraska is an institution whose perpetuity is established beyond any question of doubt since the adoption of the new rates," said Judge Joseph Oberfelder Thursday night before a large audience at Krug park where he spoke for nearly an hour on the "Mission of Fraternity."

Judge Oberfelder spoke at the picnic of the Omaha lodges of the A. O. U. W., which was held at the park yesterday afternoon and evening. Games and bathing furnished amusement.

COULD HARDLY PULL THROTTLE OF HIS ENGINE

Engineer Coffman Says He Was a Victim of Both Rheumatism and Indigestion Before He Began Taking Tanlac.

Still another well-known railroad man testified to the remarkable merits of Tanlac. G. F. Coffman, of Columbus, Neb., popular engineer on the Chicago, Burlington & Quincy railroad, between Columbus and Lincoln, Neb., while in Lincoln the other day said:

"Before taking Tanlac I was in such a terrible rundown condition that I was simply miserable. I suffered dreadfully from indigestion, and had such awful cramps in my stomach that it almost doubled me up. No matter how little I ate, it caused me to suffer from gas and severe pains in my stomach. I was tired nearly all the time and had no energy, and I got such little sleep that in the mornings I felt as worn-out as when I went to bed the night before. My left shoulder ached awfully, and was so stiff that I could hardly work my throttle.

"One of my friends in Lincoln told me how Tanlac had fixed him up in fine shape, so I started taking it myself. My appetite began to pick up from the very first and now has come back good and strong. I have taken three bottles of the medicine, and no longer have a sign of indigestion, and am feeling fine. My arm and shoulder are improving rapidly, and my sleep is sound and refreshing. My wife was troubled with rheumatism also and it only took three bottles of Tanlac to relieve her entirely. We both think there is no medicine equal to Tanlac and give it our highest endorsement."

Tanlac is sold in Omaha at all Sherman & McConnell Drug Company's stores, Harvard Pharmacy and West End Pharmacy. Also Forrest and Meany Drug Company in South Omaha and Benson Pharmacy, Benson, and the leading druggist in each city and town throughout the state of Nebraska.
