OVER 20,000 PERSONS ATTEND **OLYMPIC TRIALS**

Western Athletes Strongest In Field Contests, Scoring Heavily in Record-Breaking Feats.

Cambridge, Mass., July 16.—The Olympic trials attracted more than 20,000 spectators to the Harvard stadium. The five hours of compe tition opened with a dress rehearsal on the Parade of Nations, the inaugural feature of the Olympic games. Weather and track conditions were perfect and more than \$20,000 was realized for the American Olympic fund through admission

In the events of Saturday the Nev York A. C. led the field with 371/5 points. The Chicago A. A. was close second with 35 points, the a close second with 35 points, the Illinois A. C. of Chicago, third, with 141/2 points and the Olympic club of San Francisco and the Los Angeles A C, tied for fourth place, with 14 points. The United States navy team came next with 11 points. Norman Ross Wins Annual River Marathon at Chicago

July 18.—Crawling Chicago. through the water with his powerful stroke, Norman Ross of the Illinois Athletic club, won the 12th annual river marathon from a field of 17 starters. The big Oregonian had 75 yards to spare at the finish and it is said could have made better time had he been pressed. He paddled the distance just short of two miles in 31:54 and five minutes after he crawled onto the judges' barge, he was breathing naturally.

It was just play for him Second place went to F. K. Kahele the Hawaiian gob from the Great Lakes training station. He set the pace for the first quarter of a mile, but Ross caught him just before turning the buoy in the inner harbor. The Hawaiian caused quite a splurge in the race. Harold Kruger and Bill Harris of the Hawaiian Swimming club were third and

The first use of the water mark

-so called because of the manner in which it is impressed into the paper during the process of manufacture-was, as it is today, to point out the place of manufacture and to guarantee the texture and material used. It was the equivalent of a trade mark or proof of quality. The first water mark on record

was the coat-of-arms of a town, but gradually the marks became more simple until they were standardized in 10 forms which are used to this day as the names for various sizes of paper, or-iginally stamped with these marks. In the order of their size, from the smallest to the largest, these marks were the bell, pot, ecu or three-franc piece, crown, shell, grape, large grape, jesus, great eagle and great world. The size "jesus" was in-dicated by the letter "j," the others by the equivalent emblem. CITY NET MEET OPENS ON FIELD CLUB COURTS 22 and Western Union college is to play Omaha at De Mars, Ia.,

Old-Timers Not in Best Form Moines college, Kearney Normal. Just Yet-Several Exciting Matches in Opening Rounds.

Under a hot sun on the hottest day of the year to date, the city tennis tourney opened at the Field club, Saturday afternoon everything set to make it the big-gest in local history.

Of the 32 scheduled matches,

three were won by default. Five matches in the first round are sceduled for Saturday afternoon. This is the first city tennis meet since the war. It is difficult to pick winners after results of the first round, for some of the old-timers were not so good, and won their matches only through hard playing throughout the sets. There is little fear of a "dark horse." Champion in Good Form.

Bill Adams, winner of the last city tennis tourney, was in fairly good form yesterday. He won from H. D. folley, 6-1, 6-2, but had no runaway. The champion had to fight for every game, but his speed and serve were too much for his opponent The most interesting match of the day, and there were many exciting

matches, was between E. E. O'Neill and L. H. Buzzard. O'Neill won from the flashy Creighton player, easier for me to affect smiling wa-6-3, 8-10, 6-4. Buzzard, who has been a steady player, did-not live up to his reputation vesterday. He played in streaks. Nearly every pame went to deuce, the men being evenly matched and playing tight ball. In the second set, Buzzard had O'Neill by the score of but then started to play poor ball. O'Neill took advantage of the situation, but Buzzard finally won the set by 10-8.

Howard Green, University of Missouri tennis crack, and Dr. Boehler drew attention by their close playing. Green lost the first set, 6-8. but easily took the second by the score of 6-1. The doctor refused to finish, claiming he was "winded. Harry Koch, four times winner

of the state championship, was not sure of winning yesterday. He de-feated F. H. Gelhous, 6-2, 3-6, 6-1. Selhous took the second set easily. Koch then took a rest before starting the third set, which drew the largest gallery of the day. Koch played good tennis the third set, his ground strokes making him much the better man. "Spike" Kennedy, a veteran mowed down S. Cullingham by the

score of 6-2, 6-2. Guy Williams, one of the strongest boosters for tennis in the city, defeated P. B. Means, 6-3, 6-2. Ralph Powell, holder of the 1916 state singles tourney, won from E. Epsten, 6-2, 6-3. Powell displayed
