Protection Plank Can Help Republicans in the South

The republican protectionist idea, which has been interesting southern business men for a number of years, is developing among southern manufacturers to the point where this protection is considered the most important measure for the growth and development of the south today, according to the statement of Zane Thompson, editor of the Gulf Marine Register of New Orleans, who is in Omaha visiting his wife and family.

Protection for southern industries is the only political plank on which the republicans can hope to carry any of the gulf states, Mr. Thompson thinks.

Separated Since Birth, Two Sisters Hold Happy Reunion Here

Separated since birth before they had ever seen each other, two little sisters, Bernice Aylsworth, 11 years old, and Dorothy Bloom, 10 years old, met for the first time Sunday at the home of Bernice's adopted cousin, Mrs. Joe Maguire, 3077 South Sixteenth street.

When Dorothy was born, Bernice had already been adopted by Mr. and Mrs. C. C. Aylesworth and taken to their home in Colorado, and 11 days later Dorothy was adopted by Mrs. Amy Bloom and taken to live in New York.

Each knew she had a sister somewhere in the world, and somehow Bernice heard her sister was in Omaha. She induced her foster parents to allow her to visit their cousin, Mrs. Maguire, and finally located Dorothy. In a few weeks, separation must come when Bernice returns to her home in Colorado, but both children smile wistfully as they tell each other how glad they are to have been with each other for even a short time, and they have promised never to lose track of each other again.

Car Men to Attend Wage Hearing Only as Spectators

Unless the cost of living enters into the hearing of the wage controversy between the Omaha and Council Bluffs Street Railway company and the union, no active part in the hearing will be taken by the union, according to its president, Ben Short.

Short and A. H. Bigelow, counsel, will represent the union at the re-sumption of the hearing in Lincoln Thursday, but will offer no witnesses and take no part in the cross-examination.

The street car company will be represented by W. G. Nicholson, secretary and auditor.

Building Owners Suggest Compromises in Rental Fight

The Tenants' Protective league has been advised that the Building Owners' and Managers' association cannot undertake to dictate to its members what rents they shall charge, but that the association is interested in the rental situation, and it believes any of its members are willing to discuss with the tenants any changes in rental schedules.

The association further states that if the protective league succeeded in its demands there would never be another square foot of rental space built in Omaha, causing a dearth of houses and curtailment of the city's growth.

Are Women Naturally Dependent?
A prominent writer so claims. Women are constituted with a delicate organism and in nine cases out of ten mental depression may be attributed to an abnormal condition of the system, which expresses itself in nervousness, sleeplessness, backaches, headaches, causing constant misery and as a result despondency. Lydia E. Pinkham's Vegetable Compound, a simple remedy made from the roots and herbs, is the one great remedy for this condition. It goes to the root of the trouble and overcomes despondency.

There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then you destroy it entirely. To do this, just get about four ounces of plain, common liquid arvon from any drug store (this is all you need), apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all of your dandruff will be gone, and three or four more applications will completely dissolve and entirely de-roy every single sign and trace of it, no matter how much dandruff you may have.

You will find all itching and itching of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.
