### Sooners Break Winning

Streak of Sioux City

Sioux City, July 25.—After having won five straight games the Indians ran their total to six by taking the first game of the double-header with Oklahoma City here today, 5 to 4, and then lost the second by a 15-to-3 count. Both games were played in a drizzling rain.

First game:

Omaha and Joplin.

The postponement of yesterday's double-header makes three post-poned games Joplin and Omaha must play off here. Joplin only comes for one more stay here this season, so all of the games cannot be jammed into that series.

It is expected a record-breaking week-day crowd will turn out for the fray today with a double-header on the cards and Palmero, the class of the league, on the mound in one
