Consolidation Now Is About Completed

New York, July 27.—Directors of Maxwell and Chalmers Motors companies met at Detroit today for a further discussion of the plan to merge the two companies. It may be decided to issue \$15,000,000 notes instead of \$10,000,000 as originally provided for, and there may be some changes in exchange of securities. This possibility explains the severe decline in the companies'

securities last week. As the consolidation agreement is per cent in stock and Chalmers common shareholders 15 per cent.
