Omaha Golfers Suggest Novel Way of Conducting Annual Nebraska Tournament— Directors Meet Soon.

The annual state golf tournament next year will take on the aspect of a week's outing for Nebraska golfers Home Run of Season if the suggestion of interested Oma-

> Just where the tournament will be held is still undecided and the decision rests with the board of directors of the state association. A will be called soon to select the scene for the 1921 meet.

The plans of Omaha golfers are, substantially, to hold the tournament at Lakoma (Seymour lake) club and to erect tents near the club house for housing participants. With the lake handy and the proposed bathing Totals...2913 21 8 beach and boat house in use, tournamenters could enjoy a week's outing besides taking part in the play for the state title.

Extensive improvements new planned for Lakoma club probably will be completed by tournament time next summer, among such improvements being the new highway from Omaha to the club.

In the past, state tournaments have been held at the Omaha Country club, the Omaha Field club and Happy Hollow in succession. This year, however, association officials say, may see a change in that policy. Lincoln Country club is a possibility as well as Lakoma club.
