\$250 Wins \$50,000

People of My Own Home State:

You surely have been reading our advertisements appearing in the daily papers of Omaha and other parts of the state, or by chance some one of our selling force has personally explained our proposition to you, which we consider a rare opportunity to buy a real oil lease in a real oil country in the Gulf Coast Oil District of Texas.

Think of it-five choice o... acres for only \$250.00, a chance to win many thousands of dollars. You can have your Lease recorded, put on record in Texas, in the same manner as a deed to a farm. You own it, no one can sell it but you, no one can ever cheat you out of your Lease any more than they can take your farm without first paying you cash in hand.

Our Company will advise you the moment that oil is discovered in this great district, and render you every assistance and advise with you freely, thus possibly assisting you to turn your investment into a fortune.

We want you to buy, at least one of these Leases immediately and share in the great possibility of cashing in for many thousands of dollars, but you only need chance \$250.00 for one five-acre

This Company, above all other companies, is now giving to you, my friends of my home state, a rare chance. Take advantage of it if within your financial ability so to do. We urge you to buy your Lease before they advance in price, which they will surely do. Why pay \$500.00 to \$2,500.00 for what you can buy today for \$250.00? Get in early, thus get choice location.

You will be treated in the most honorable way, and we believe and trust that you will never have any cause to regret the slight venture that you take in the purchase of these Leases.

Send for our Bulletin. Get the facts. Check us up on the Government Chart in our Bulletin, which also contains pictures of the biggest GUSH-ERS in America. DON'T WAIT A MOMENT. DO IT TODAY. Upon your request, will mail it to you free and without any obligation on your part. Don't fail to read our advertisements in the Omaha Daily News-something different.

Most respectfully submitted.
