

WOMAN'S SECTION OF THE BEE

Miss Rollins a Bride

Mr. and Mrs. C. H. Rollins announce the marriage of their daughter, Peggy, to Marion L. Evans, Jr., of Stormhurst, Ill. The ceremony was performed in Galesburg on Thursday, August 12, at the Methodist Episcopal parsonage. Rev. Dimmett officiating. Mr. and Mrs. Evans have gone to Glacier park for a wedding trip. They will be at home after September 1 at Stormhurst.

Mrs. Evans was a very popular

Omaha girl. She attended school in Illinois and Pomona, Cal. Mr. Evans, who is a graduate of Cornell university, completed his schooling in Berlin.

Mr. and Mrs. Rollins attended the wedding. They will leave Saturday night for two weeks in Colorado.

The women of Pitcairn Island, descended from English sailors and Tahitian mothers, are described as being unusually graceful as well as vigorous. It is a common sight to see the young women of the island go up and down the steep, rocky shores, carrying barrels of water or other heavy burdens on their shoulders, apparently with as much ease as the young men do.

Heat Saps Power; Store up Energy

Keep digestion perfect with Dr. Caldwell's Syrup Pepsin and you will have strength to work

SUMMER is the season of vacations, of slowing up in work. And there is a good reason for it. Heat is enervating and work quickly tires. But people must work, and we should all keep ourselves in such fine physical condition that we can do our share even in hot weather.

Of first importance is to see that there is a regular, daily bowel elimination. If you sit a day you are constipated. Constipation, especially in summer, is quickly followed by fatigue, loss of appetite, chills and colds. There is no energy for work.

When you feel constipated and out of sorts, more tired than you know the circumstances warrant, take a spoonful of Dr. Caldwell's Syrup Pepsin. This delightful laxative-herb is a combination of simple laxative herbs with pepsin and can be bought at any drug store.

Syrup Pepsin will quickly relieve your constipation and give you a feeling of lightness and clear headedness.

Millions of people of all ages suffer from occasional or chronic constipation. Let them send name and address to Dr. W. B. Caldwell, 512 Washington St., Monticello, Ill., for a free sample bottle of his wonderful Syrup Pepsin. 8 million bottles were bought at drug stores last year, the largest sale in the world.

Mr. Walter of 441 Minnie St., San Francisco, had to quit work because of constipation, colds and a train of other ills. He took Dr. Caldwell's Syrup Pepsin and promptly recovered his health and strength and is now at work again.

You will make no mistake getting yourself a bottle of Syrup Pepsin and taking a little at the first sign of constipation.

Anyone Now Can Have Pretty Curls and Waves

Hair tortured with the hot curling iron is bound to become dry, harsh and brittle, as so many know from sad experience. It's far more sensible to use the simple silmerine method, which can do no harm and which produces a curliness much prettier and more natural in appearance. And the effect lasts as long as the hair, particularly in hot, moist or windy weather. Silmerine is also a fine dressing for the hair, preserving its texture and health, keeping it delightfully soft and glossy.

Liquid silmerine is not sticky or greasy and it won't stain or streak hair or scalp. Get a few ounces from the drugist, pour a little into a saucer and with a clean brush apply evenly to the hair just before doing it up. The added glory to your "crowning glory" will be quite remarkable.

Miss McHugh Returns

Miss Kate A. McHugh has returned from Denver, where she visited her sister, Mrs. Edwin Platt. Asked about her plans for the coming year, Miss McHugh used the word "loafing." Omaha people suspect, and even find evidence to support a belief, that this merely means freedom from routine with leisure for further progress on the part of Miss McHugh in the art of living, and a large sharing of that art with the community in which she resides.

Colors for Babies

"I've forgotten whether pink is the color for boy babies or for girls. Can you tell me?" This is a question that's often asked. Not that it makes a bit of difference to the baby, of course, but it's a question about which no two doting mothers or grandmothers or aunts seem to agree. Just the other day, however, we heard a rule, which, even though there seems to be no special reason for it, is easily remembered, and so we're passing it on. Here it is: Pink is for girl babies; blue for boys. You can remember this because "boy" and "blue" both begin with the letter "b."

Making Hand Tucks

The hardest part of making tucks by hand is getting them even, yet they are a pretty trimming and a great convenience on children's dresses. Make them on the machine, using the tucker, a coarse needle, and no thread, creasing firmly as you work. Then it is easy to use the needle holes as a guide for the hand sewing, and the result is quick and even work.

June Groves spent a few days this week in Lincoln, where she attended the annual picnic of the Willard sorority of Wesleyan university.

Miss Mildred Walker

Miss Mildred Walker left Wednesday for Columbus, Neb., where she will be the guest of Miss Eulalia Ryan.

Miss Frances Edwards, daughter of Mr. and Mrs. Lewis J. Edwards, returned home Monday from the University of California at Berkeley where she attended special kindergarten classes and studied music. While in the west Miss Edwards visited in Ontario, Cal., at the home of the Silas Brewster family, formerly of Omaha, and in Los Angeles she was the guest of Mr. and Mrs. John Sorenson.

By CORINNE LOWE.

New York.—(Special correspondence.)—The woman who wears one of these black tulle and white organdy combinations engages in a constant friction with the cleaner. Yet does she care? Not when she is sustained and soothed by the unaltered trust that everybody else is doing it. Meanwhile all manner of new versions of this combination are found. Here is one of the very latest and, incidentally, we behold in the tunic draped at the side one of the late manifestations of fashion. The same mode may be applied, in fact, to any of the various silk combinations of the summer. For example, a figured drap would be charming if flouped in this way over a georgette skirt trimmed perhaps with bands of the figured fabric.

Personal

Miss Callie McConnell is spending several weeks at Minnesota lakes.

Mrs. Clement Chase will return from Pasadena, Cal., about August 20.

Miss Mariau Wyman has returned home after attending the summer session for secretaries at Boulder, Colo., during the summer. Miss Wyman will spend a short time here with her parents before taking up secretarial duties at the Y. W. C. A. at Lincoln. Miss Wyman stopped on her way home for a short visit with her friend, Ruth Sheldon, who entertained in her honor.

Problems That Perplex

Answered By BEATRICE FAIRFAX

He Persists in Caring.

Dear Miss Fairfax, Omaha Bee: I am a girl, just 20, and I am engaged to a young man of the same age. We have been going together a few years, but now we are separated. My love for him is growing less, but his persists to be the same or greater since I left him, and I wonder if it would be safe for me to marry him, as we are planning on doing very soon. Will married life cure him of it?

Please give me your honest opinion on this, Miss Fairfax.

CATHERINE.

Your letter doesn't sound very encouraging to a marriage. Do you wish to cure him of caring for you? Are you willing to marry him when you are not sure of your own feelings? I advise to wait a year or two. Perhaps you can then judge for yourself more clearly.

F. S. Connel Bluffs: I would advise you not to write to the motion picture actors you mention. They would never see your letters. No doubt they receive hundreds of letters from admirers which are opened by their secretaries and which they never see. Save your energy and direct it in some more useful way.
