Ted Ray Wins National Open Golf Title By Single Stroke

VARDON AND 3 AMERICANS TAKE **EXTRA STROKE**

New Titleholder Says He Expected to Beat Americans, But Not Harry Vardon.

Toledo, O., Aug 13.—Edward Ray of England won the national golf championship of America at Inver-ness with a score of 295 for 72 holes, carrying the cup to England for the second time, Harry Vardon having won the title 20 years ago and lacking only two strokes of capturing it

It was only by a stroke that the long-driving Briton snatched the honor, three young Americans, Leo Diegel and Jock Hutchinson of Chicago and Jack Burke of St. Paul, missing long puts by inches, to tie the score of the winner, who also outstripped his countryman, Vardon. by a single stroke.

Vardon seemed to have the title clirched nearly all day, starting slightly behind in the morning and leading by a stroke at the end of the tirst 18 holes with 218, while Diegel and Hutchinsor had 219 and Ray Vardon increased his chances by scoring 36, one over par, on the tirst nine of the last round, but he began to miss his shots from the tee and on the green, taking six on the 522-yard twelith and the 430-yard seventeentr and three fives for a 42 on the final lap.

Shows Fatigue.

Roy showed fatigue on the last nine, but his 40 was offset by a par 35 on the first half. When he finished, Vardon was already in with 296, tying the score returned by Burke and the enormous gallery on tiptoes to see whether the finish of Diegel or Hutchinson could hold the title in America. Diegel was first to finish after Ray and he needed three on the last hole to tie the Briton's score. The young profes-sional drove 235 yards down the cen-

'I have every reason to be thankful for what Tanlac has done for For six years I suffered terribly on account of rheumatism. The pain in my back and shoulders was at times almost beyond endurance and it was agony to raise my hands to my head. I had severe pains around the heart also and often this was so bad at night I could not sleep. I had a very poor appetite and what little I did eat would lie on my stomach like a lump of lead. I suffered a great deal from constipation and at times became so dizzy I thought I should fall. I fell off in weight until I was a mere shadow of what I used to be and just felt tired and worn-out

all the time. But it was wonderful how quickly Tanlac overcame my troubles. The very first bottle gave me a good appetite and settled stomach so that I could eat anything wanted and never suffer the least bit from indigestion afterwards, I have taken three bottles altogether, and have been built up in every way. I am no longer bothered with constipation or dizziness, the pains in my shoulders and back have disappeared and I sleep so well at night that I get up in the mornings feeling just fine. I am so much stronger that I can do my housework with ease and I have gained in weight right along. I can't say enough in praise of Tanlac and am sure it

Grand Circuit Races Stopped by Rain; Big : Card Billed Today

North Randall, Ohio, Aug. 13 .--Rain late today caused postponement of the Grand Circuit racing after three races had been decided and Juno had won two of three heats in the Leader purse, \$1,000 for 2:08 pacers. The third heat is to be rated to decide money division.

The rain came after Favonian had won the second heat of the News sweepstakes, purse of \$2,350 for 2year-old trotters.

Another record went by the boards when Juno, in stepping the first mile of the 2:08 pace in 2:0234 set a record for the state. Juno came from behind in both heats.

In the second heat practically

every entry took a turn at setting the pace. Foxy Ann, Red Lance-lot and Calgary Earl went into breaks, but Red Lancelot, favorite, came with a rush in the stretch and landed third.
