

# ELECTION WILL BE LANDSLIDE, SAYS SHEEHAN

Secretary of Local Harding-Coolidge Club Says Republican Nominee Is Extremely Optimistic.

Thomas J. Sheehan, jr., secretary of the Harding-Coolidge club of Omaha, has returned from his vacation, which was spent in Ohio. He visited Senator Warren G. Harding on the famous front porch at Marion and reports that he found the republican presidential candidate to be "a most agreeable and approachable man."

"All of those qualities which endear a man to the people are possessed by the senator in great abundance," said Mr. Sheehan, who added:

"He extends his very best wishes to all the people of Nebraska and states that everything looks most favorable for his election."

"The reports which have come into his headquarters, as well as to the national republican headquarters at Chicago, where I stopped, are indicative that the election this fall will be the greatest republican landslide in the history of the party. The east is solidly for Harding."

"In so far as the state of Ohio is concerned, there is nothing to the great yadvertiser fight, for that state is going back into the republican fold by a majority anywhere from 75,000 to 100,000. The whole state is enthusiastically for Harding and even lifelong democrats admit that Harding will be elected."

"From all reports which have come into the Harding-Coolidge club, both from within and without the state, the republican spirit is gaining great strength and impetus each day. As far as the middle western states are concerned, they will present a solid republican vote."

**Urges Rent Commission Similar to That in N. J.**  
If Omaha is to have a commission to deal with rent disputes, J. M. Gillan, industrial manager of the Chamber of Commerce, believes it should be on the plan that has worked successfully for two years

in Newark, N. J. Fifty thousand disputes between landlords and tenants have been adjusted there with less than 10 per cent of the cases resulting in litigation or removal.

"On a visit to Newark a few months ago, I watched the working of the plan," said Mr. Gillan today. "There are two commissions authorized by the city. One is the landlords' trouble commission, and the other is the landlords' profiteering committee. Unless the case is very flagrant or the landlord is stubborn, the complaints never get beyond the first board."

**Gus Miller Will Promote Games at Annual T.P.A. Picnic**

The annual outing and picnic of the Omaha post of the Travelers' Protective association, will be held at Elmwood park August 21. Gus Miller has been appointed to have charge of athletic contests and games to be staged in connection.

**Not Given in Testimony.**  
Reports of the divorce suit of Irene Ellen Warren against Ray Harold Warren stated testimony offered said Warren had struck his wife with his clenched fist, knocked her down and kicked her. This was stated in the petition but was not offered in direct testimony given by Mrs. Warren. The case is pending two weeks.

## The Bee's Fund for Free Milk and Ice

Interest in The Bee's free milk and ice fund is not limited to Omaha, as evidenced by the contributions received from towns beyond the metropolis. On Wednesday a friend in Iowa sent a check for \$25.00, and Thursday Mrs. H. C. Moran of Center, Neb., sent \$2.

The work that has been done already this season by the Visiting Nurse association of Omaha in the administration of this fund has been inestimable in its value. This organization is equipped to do this work in an efficient manner.

Many babies who have been suffering this summer from the effects of insufficient care have been given a new start. In some instances their lives have been saved. There is still work to be done. Those who are interested in helping the babies are invited to contribute to the fund. Previously reported: \$119.75
