

HARDING PLANS TO OUTLINE NEW WORLD LEAGUE

Senator Will Reveal Program For International Understanding That Will Protect America.

Marion, O., Aug. 14.—To Governor Cox's declaration that the republican party stands on the skyline of a setting sun, Senator Harding replied, Friday that "if we may look backward to clear our vision we may look forward more confidently."

"Call it reaction if you like," said the republican nominee, in a speech here, "but we need the old standards of honesty, the lofty standards of fidelity."

"If we are living in the past to recall the wisdom of Washington, the equal rights of Jefferson, the genius of Hamilton, the restoration of McKinley, the awakening of Roosevelt, am I happy to drink of the past for my inspiration for the morrow?"

The speech delivered from the front porch of the Harding residence to the Ohio Republican Editorial association, was a plea for a return to old-time morality and fairness. If everyone had been "rigidly honest," he said, peace might long since have been established and unrest quieted. He advocated a forest policy to insure an adequate domestic supply of timber to meet the demand for print paper pulp.

The candidate revealed tonight that he expected soon to elaborate on his previous declarations for an international understanding that would not imperil American integrity. He indicated the enlargement of his foreign policy would be included in the program that he is to make early in September. The Minnesota state fair is under consideration as the place where this address will be delivered.

Friday's address omitted mention of Governor Cox by name, but the republican nominee repeated in exact form the words used by his democratic opponent in his acceptance speech.

18-Year-Old Girl Is Held for Leading Part in Jewel Theft

Chicago Tribune-Omaha Bee Leased Wire. New York, Aug. 14.—Anna Westervelt, 18, daughter of a respectable family at Far Rockaway, was held with two men on the charge of burglary. The police say the girl took a leading part in the burglaries.

Ten thousand dollar bail was asked in each case. When the home of Mr. Stevenson on the fourth floor of a Fifth avenue apartment house was robbed, the two men entered while Anna Westervelt acted as lookout, removed a safe, two by three feet, carried it down the fire escape and loaded into a taxicab. They took the safe to Anna's home, one of the men confessed. It was the contents of this safe believed by the police to have contained several thousand dollars worth of jewels, which the men were trying to sell, leading to their arrest.

POLISH ENVOYS LEAVE WARSAW TO MEET REDS

Delegation, Consists of 16 Members, One of Whom Is Woman—Correspondents Are Held Up.

Warsaw, Aug. 14.—(By The Associated Press.)—Poland's peace delegation of 16 members, with military aides, clerks and stenographers, one of whom is a woman, prepared late last night to leave for the battle front to meet representatives of the Russian soviet government. No response had been received from Moscow to a wireless dispatch naming the newspaper correspondents who were to accompany the delegation. Announcement was made that correspondents would not be permitted to go to the front unless word allowing them to travel came from the bolsheviks.

Four of the delegates will be military officers, six will be foreign officers, representatives, counselors and advisers, and six will be Diet leaders. H. Dobski, under minister of foreign affairs, will head the delegation.

Two representatives of the American relief organization, Herschel Walker of Philadelphia and Maurice Pate, have received permission from Moscow to accompany the Polish commission to Minsk, where they will confer with the bolsheviks on treating of 300,000 children, formerly cared for by the Americans, but now within the bolshevik lines.

This side of Silesia the delegation will show white flags and will meet soviet representatives who will escort the Poles probably to Minsk. Arrangements have been made for newspaper correspondents to start Saturday and overtake the delegation if the soviet government approves the names of the men selected.

The communique announces that the attacks upon these places were repulsed.

Retail Merchants Want Profits Tax Abrogated

Detroit, Aug. 14.—Normal conditions in business will shortly replace the present depression, J. H. Tregoe, secretary-treasurer of the Retail Credit Men's National association, declared in a speech before the association's annual convention here today. Business, he said, was now experiencing the "morning after" effects of postwar extravagance.

Lifting of the excess profits tax, Mr. Tregoe said, would do much to restore normal conditions.

Houston, Tex., or Los Angeles, Cal., Will Be the Next Convention City. The board of directors will decide.

George A. Lawe of Memphis was chosen president.

BE PRETTY! TURN GRAY HAIR DARK

Try Grandmother's Old Favorite Recipe of Sage Tea and Sulphur.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Weyth's Sage and Sulphur Compound" you will get a large bottle of this famous old recipe, improved by the addition of other ingredients, at a small cost.

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after a few other applications or two, your hair becomes beautifully dark, glossy and attractive.
