

### HUSBAND TAKES DAUGHTER FROM HIS WIFE'S ROOM

Mother Obtains Court Order to Prevent Molestation—Small Girl Returned To Her.

Following an early morning raid yesterday, in which John L. Sullivan, her husband, came into her room, dressed their 4-year-old daughter, Lois Mary, and took her away with him, Mildred Sullivan, 212 South Twenty-fifth street, obtained a court order yesterday restraining her spouse from molesting her or from removing her child from the jurisdiction of the court.

Sullivan brought his little daughter back to her mother yesterday morning when he was served with the restraining order.

The Sullivans left their child with a mutual friend in Denver last October, after they had been unable to get along together, the wife said. The understanding was that they were both to be free to visit the child.

Later Mrs. Sullivan came to Omaha and obtained employment as a waitress at the Union station. She heard the child had been taken by her husband.

They afterwards patched up their differences and went to Denver to get the little one and bring her to Omaha in their automobile. They quarreled on the way and Mrs. Sullivan left her husband at Sterling, Colo., coming the rest of the way on the train with her baby.

The hearing of the case will be held August 20.

### Exonerate Sinn Fein Of Blame for Riots In Dublin Saturday

Dublin, Aug. 17.—The success with which republican volunteers maintained order in Dublin Sunday night, and the way they endeavored to protect soldiers and disperse crowds Saturday night, is taken as evidence Saturday that disturbances were not part of the Sinn Fein campaign, but were caused by a mob roused over the killing of a boy named Farrell in recent riots.

This bitterness, it is believed, will be increased by the events of the week end, the worst of which, in the eyes of Irishmen, was the killing of Patrick Lynch Saturday night. According to the evidence of his sisters, Lynch was taken from his house by soldiers and later found dead.

There were disturbances at Limerick following the shooting of a policeman, which the police charge was done by a civilian. Others, however, declare the shooting was accidental.

News alleging that hunger striking Sinn Fein prisoners are being allowed to die is also arousing the people.

The mother attempted to save both kids as they were being swept beyond their depth by waves. A third son, Robert, 11, was rescued by his father, Oscar A. Gilson, after the boy was almost overcome while trying to save his brothers.
