## **NO ELECTION TO** FILL CORNISH'S SEAT TILL 1922

No Legal Method Provided for Nomination, Attorney General Davis' Opinion.

Lincoln, Neb., Aug. 23.—(Special.)

No successor to the late Supreme Judge A. J. Cornish, who died April 19, the day before the primaries this 9, the day before the primaries this 19, the day before the primaries this year, can be elected until 1922, because there is no legal method provided for a nomination, according to an opinion by Attroney General Clarence A. Davis, answering an infamily. The father is 34 and the quiry from the secretary of state's mother 30.

Although under one section of the law, the governor appoints a judge Permits Granted to Sell to fill the vacancy "until the next general election," Judge L. A. Flansburg will hold over two years be-

for which they are now running, is the vacancy caused by the death last Christmas of Supreme Judge S. H. Sedgwick. Judge Day was the temorpary appointee to fill the place.

These candidates cannot be considered for the Cornish seat, he ruled, because they were specifically nominated for the other place and for the remainder of the Sedwick cial.)-Two automobiles, a Nash,

to designate the particular office on laud, the property of A. T. Milburn the ballot for which these men are of this city, were stolen Saturday running, so that voters will not be from the streets in the business secled to suppose they can vote for one tion here. The Nash car was found candidate for each vacancy.

ruling that voters cannot write in the name of the office and that of the candidate also. Where the bal-lot itself contains no place for the name of a candidate for a given office, no vote can be legally cast for

## CITY IN STATE IN CENSUS GROWTH

Scottsbluff and North Platte tee at its meeting here today to determine what shall be done under the senate resolution instructed me to Lead Nebraska Cities in Population Gain.

Only two Nebraska cities of any size grew faster in the last 10 years than did Omaha. The census figures are now complete enough to indicate the standing of the leading cities. While Omaha grew 54.4 per cent since 1910, Lincoln increased only 24.9. Scottsbluff, built up by the irrigated sugar beet industry, in-

The following table, compiled by the Chamber of Commerce publicity bureau, gives the population of the leading cities of Nebraska as announced to date:

 
 Omaha
 191,501

 Lincoln
 54,934

 Grand Island
 13,950

 Hastings
 11,647

 North Platte
 19,468

 Beatrice
 9,664

 Fremont
 9,570

 Norfolk
 8,624

 Kearney
 7,702

 Scottsbluff
 6,912

 Nebraska City
 6,172

 Columbus
 5,416
 There will be some change in these figures when the population figures are announced of York, Fairbury and Plattsmouth. The popula-tion of these cities in 1910 was 6,235, 5,294 and 4,287, respectively.

#### Poles Rout Russians: Red Forces Bottled Up

Soldau and the regions occupied by the Russians in the north Vistula area between Thorn and Plock.

Regroup Polish Army. The Polish forces have been regrouped into two armies for pursuit of the Russians, the northern army

under General Haller and the center At Grand Island, 70 Attend army under President Pilsudski. The latter's turning movement continues under the best conditions. The Poles have counted more than 35,000 General Haller's forces have

reached the line from Mlawa to Przasnwsz and his right wing is moving toward Ostralenka, 22 miles southwest of Lombza. General Pilsudski's army has reached the line from Ostrov to Briansk and is continuing the pursuit toward Lombza and Bialystok, its right wing having captured Brest-Litovsk.

Reject Peace Terms. General Budenny with soviet

cavalry around Lemberg is hastening north, seeking to strike the Pol-ish rear, now 250 miles distant. "Potato prices are commencing of Saturday night that Poland would to hit the toboggan," said William not accept the Russian soviet terms Lamprecht of Bloomfield Monday, presented to the Polish peace dele-"The recent rains have done won- gation at Minsk refers to those sub-

> 75,000 Bolsheviki Taken Prisoners by Polish Army

By The Associated Press.
Paris, Aug. 23.—The number of Russia soviet prisoners captured in the Polish counter offensive will amount to 75,000, according to Warsaw advices to the French foreign of-

fice today.

Most of the 35,000 prisoners al ready counted were captured in the territory northwest of Warsaw, including the Danzig corridor, by the army under command of the French general, Billotte. This army now is most effective and is composed of German-trained men of Posen.

Cut Off Retreat. Another Polish army under command of the French general, Henry, is striking toward Bialystok from

Warsaw, cutting off the bolshevik A third Polish column under President Pilsudski already has passed Brest-Litovsk, cutting off the bol-

shevik Galician army, The French foreign office announced today that General Wey-gand now is chief of the Polish staff, with full power, and that most of the 1,000 French officers in Poland are

actually participating in the fighting. Rout Is Complete. Polish peace delegates at Minsk

have reported that the soviet representatives are increasing in severity the published peace terms, demandng now that 200,000 Polish workmen be given the arms the bolsheviki hope the Polish army will lay down. Soviet Russian armies which invaded Poland and threatened to capture Warsaw appear to be on the eve of complete disaster, says the Warsaw correspondent of the Matin. He quotes General Weygand as saying Poland will be the "grave of three-fourths of the bol-shevik army." The correspondent declares the bolsheviki will soon be forced into a hurried general retreat, and that discipline has broken down in their ranks.

Poles Warned Not to

Advance Cross Pact Line Washington, Aug. 23 .- Poland has been cautioned by the American government not to permit her armies n their present counter offensive against the Russian bolsheviki to advance beyond the ethnographic boundaries of Poland.

Informal representations on the subject, it was stated officially today, have been made to the Polish government through the American

charge at Warsaw.

The attitude of the United States with respect to the invasion of Russian territory was made plain to Poland formally in the United States note on the Polish situation ad-Chadron, Neb., Aug. 23. — (Special.)—J. H. Boxley, a geologist of the Union Oil company of Wyoming Great Britain has joined with the United States in the endeavor to prevent a second violation by Po-land of Russian territory, officials said, and unofficial advices already received contain assurance of the intention of the Polish government to heed the advice of the United States and Great Britain.
