Washington, Aug. 25.—Application for an injunction to restrain Secretary Colby of the State department from promulgating ratification of the federal suffrage amendment was filed in the district supreme court today by counsel for the American Constitutional league. Associate Justice Siddons required that authority for such procedure be cited and agreed to hear counsel on the point during the day.

Application was made by Attorney A. D. Smith in behalf of Charles S. Fairchild of New York, president of the league. Justice Siddons said he could not consider the matter until counsel had presented authority under which he contended the court might act to restrain promulgation of ratification on receipt of certification of the action of Tennessee as the 36th state. Justice Siddons agreed to remain in his chambers during the day to consider the authorities which counsel might later present.

**Proposed Law Would Prohibit Gambling In 62-Mile Zone On Border**

Mexico City, Aug. 25.—Saloons, gambling houses and other resorts would be forbidden in a zone 62 1/2 miles wide along the Mexican-United States frontier by a bill being prepared for submission to the next congress by Jose I. Lugo, under-secretary of interior, says the newspaper Excelsior.

"The basis of the bill," the newspaper asserts, "is morality, and the imperious necessity of letting our neighbors see the Mexican government thinks of the welfare of its nationals and foreigners, and is unwilling to permit a geographical accident to render possible constant violation of a law which, although not ours, makes for morality and order."
