MINER'S SEARCH BRINGS REWARD AFTER 3 YEARS

Kansas Man Recovers Health After Great Suffering—Praises Tanlac.

"I'm no longer afraid I'll have to quit work, for Tanlac has put an end to my troubles, and I have gained 15 pounds besides," was the statement made recently by Theodore Lewandowski, a well known coal miner, living at Richardson, Kansas.

"It was three years ago that my health began to fail, and from then until the time I got hold of Tanlac I hardly knew what it was to ever feel well. I had a chronic case of indigestion, and as regular as I ate anything it soured on my stomach. Gas formed awfully and filled my chest up so badly that I had a time getting my breath. My appetite was nearly gone and quite often I had bad spells of biliousness. I was constipated and at times had awful headaches and dizzy spells. I was very nervous, and what sleep I managed to get was never sound. When morning came I was all fagged out and felt like I had just finished a hard day's work. I was gradually getting worse and I knew things couldn't go on this way much longer or I would break down altogether and couldn't make a living for myself and family.

"I had heard about Tanlac, but didn't try to decide to try it until I saw a statement from a man who was troubled like I was and who said it proved to be just the thing he needed. Well, the first thing Tanlac did for me was to bring back my appetite, and as I began to eat better the indigestion started leaving me. I kept right on picking up until now I call myself as good a man physically as I ever was. I am never bothered now with stomach trouble or constipation and those headaches and dizzy spells have all disappeared. My nerves are as steady as a clock and I put in good, sound sleep every night. I am working hard every day and am in better general health than I have been in many years."

Tanlac is sold in Omaha at all Sherman & McConnell Drug Company's stores, Harvard Pharmacy and West End Pharmacy. Also Forrest and Meany Drug Company in South Omaha and Benson Pharmacy, Benson, and the leading druggist in each city and town throughout the state of Nebra

These Trapshooters Distinguished Themsevles at Prairie Zone Meet

In the first annual Prairie Zone handicap trapshooting tournament that ended Thursday night at the Omaha Gun club grounds on West Dodge street, Charles Spencer, St. Louis, professional, ran 410 straight breaks. Elmer C. Wheeler of Pawhuska, Okl., an Indian, and the champion trap shot of Oklahoma had high average for the shoot of 391 breaks in 400. A. B. Chezik, champion of North Dakota, broke 100 straight in the Prairie overture Thursday morning and won that event. S. C. Tappan of Broken Bow, Neb., and Cham Powers were second to Chezik with 99 breaks in 100.

Cham Powers is said by many veterans of the game to be the best known amateur trap shot in the world. He was a member of the All-American team that went abroad in 1901 and was chosen a member of the 1920 Olympic team but declined the honor. Powers has been Illinois state champion on targets and live pigeons several times. He hails from Decatur, Ill.

With the Pugs

The open air boxing show that was planned by the Arena A. C. of Jersey City at the ball park for September 7 has been declared off. The reason given was that Billy Gibson, manager of Champion Benny Leonard and Joe Benjamin, refused to allow Benjamin to box Willie Jackson in the semi-final. Leonard was to have boxed Johnny Sheppard.

Word was received by Gus Wilson, trainer of Carpentier and Charley Ledoux, the French champions, that Carpentier was offered two matches in Spain and France, but had passed them up to sail for America for his tussle with Battling Levinsky at Brooklyn.

Bill Brennan, heavyweight contender, has started training at Joe Thomas' camp in Diamond Hill, R. I., for his scheduled bout with Jack Dempsey at New York city the first part of October.

Keep Your Blood Pure Nature Will Do the Rest

Did you know that ninety per cent of all human ailments depend upon the condition of your blood?

Nature gives her warnings in various unmistakable ways, so that when the appetite fails, and you become weak and listless and a general run-down condition seems to take possession of the whole body, it is an unfailing sign that impurities will steadily accumulate until your general health will be seriously affected. You should recognize the importance, therefore, of very promptly cleansing out the system, and keeping the blood supply pure and robust

For this purpose, no remedy can equal S. S. S., the fine old blood purifier that has been in constant use for more than fifty years. Being made from the roots and herbs of the forests, it is purely vegetable, and contains no mineral substance.

Get a bottle of S. S. S. at your drugstore today and note how promptly it builds up the appetite and gives new strength and vitality. Write for free literature and medical advice to Chief Medical Adviser, 830 Swift Laboratory, Atlanta, Ga.
