

NO MORE PAVING TO BE FINISHED HERE THIS YEAR

Contractors Unable to Do Work Because of Financial Conditions—But Two Streets Competed

The public improvements department, under the supervision of City Commissioner Roy N. Towl, has practically thrown up its hands as far as the paving situation is concerned for this year.

The situation has been aired in the city council chamber from every angle during many meetings since last spring and the net results are almost negligible.

The only street paving districts completed by contractors this season are Military avenue from Forty-eighth to Fifty-second streets and Seventh street from Jones to Pacific.

Unable to Finish. A contract for paving Gilmore avenue from the city limits to Railroad avenue was let to George Parks on July 10, 1919.

There have been a few alley paving districts completed this summer, but the records show only two street districts finished.

A contract was entered into by the city a year ago for the paving of Leavenworth street, from Forty-eighth to Sixtieth streets.

Among the larger paving districts waiting for contractors to move are Twenty-fourth street, Spalding to Lake, and Center from Thirteenth to Twentieth.

The financial state of affairs is the principal factor in the paving situation.

AMENDMENT TO CHILD WELFARE PROPOSAL MADE

Code Commission Changes Plans for Establishment of Board to Meet Objections.

Amendment of the proposal for a child welfare commission was made yesterday by the Nebraska children's code commission to meet objections made by Howard Saxton for the Child Saving Institute, Father Dowd of St. James orphanage and other charitable workers. Final action on the measure, which will be submitted to the legislature, will be taken at the next meeting, after the objections are considered.

The proposal, which gives the state a sort of guardianship over illegitimate children, has been amended to give the institutions concerned the right of appeal. The main object, to see that children are not placed in unsuitable homes, and that no parent can give up the care of custody of a child without appearing in a court of record, is preserved.

To Protect Children. The aim of the children's code commission is to raise the standards of marriage and protect the children of our state, said Judge Arthur G. Wray of York, also a member of the board.

No Change in Divorce Laws. Practically no alteration is considered in the divorce laws. Addition to the use of drugs is made grounds for divorce. It would also be made the duty of the court to investigate the merits of all default cases and those where minor children are involved.

BUT TWO STATES ARE DOUBTFUL ON SUFFRAGE FIGHT

Louisiana and New Jersey Only Ones in Which Right of Women to Register Shaky.

Chicago Tribune—Omaha Bee Leased Wire. Washington, Sept. 4.—Doubt now exists as to the attitude of only two states, Louisiana and New Jersey, as to provisions which are being made for the registration and voting of women at the fall elections, it was announced at headquarters of the national woman's party today.

Upon the signing of the ratification proclamation by Secretary Colby, the woman's party telegraphed to the attorney general of 33 states, inquiring whether additional legislation was required to enable women to vote in November.

Barred in Mississippi. Attorney General Roberson of Mississippi wrote that the provisions of the state constitution require that electors shall have been registered four months before an election and that women therefore cannot vote this fall.

These five are Warner Harmon, from Commercial High, Omaha, and Ernest Kleberg, Omaha amateur and army player; Ross Elliott, Minneapolis, a brother of Captain Sammie Elliott of last year's team; Lawrence Horne of Glasgow, Kan., and Gaylord Seelawder of Gothenburg, Neb. All of these men have fine records at the game and will probably become regulars on Midland's team.

Police Seek Would-Be Landlord Who Takes Money of Tenants

Newark, N. J., Sept. 4.—Police here today were on the lookout for a new kind of rent proofer—the kind who accepts deposits, but has nothing to rent. Scores of anxious would-be tenants complained to authorities that they had made deposits, ranging from \$10 to \$20, to a man who strutted around new apartment buildings posing as the landlord.

Conference Teams Are Warned to Look Out for Midland

Fremont, Neb., Sept. 4.—(Special.)—Football teams of the Nebraska conference this fall are warned to look out for Midland college, which hopes to capture the championship, its second in the state, with a team built from a nucleus of 10 veterans from last year's eleven.

Coach Bob Sisty and Captain Fred Beil have summoned their men for first practice September 13. The problem is to develop a backfield, for the coach believes his line will be the equal of any in the conference.

Captain Beil will be the only old man in the backfield, and he will play one of the halves. But five freshmen of brilliant promise will refresh for the team, and they are expected to furnish the backfield regulars.

These five are Warner Harmon, from Commercial High, Omaha, and Ernest Kleberg, Omaha amateur and army player; Ross Elliott, Minneapolis, a brother of Captain Sammie Elliott of last year's team; Lawrence Horne of Glasgow, Kan., and Gaylord Seelawder of Gothenburg, Neb. HARDING TELLS BAND HE IS FOR AMERICA FIRST

Expresses Desire to Guard Against "Clamor, Insincerity and Abuse" in Presidential Campaign.

Marion, O., Sept. 4.—A determination to guard against "clamor, insincerity and abuse" in his campaign for the presidency was expressed by Senator Harding today in a talk to a marionette band serenading his residence during a visit here on recruiting duty. The nominee said he felt it a duty to be tolerant of those who differ with him and not to drag the attention of the people into the mire.

"As I see it," said Senator Harding, "I must not, as I seek to gain votes for my party, yield to the temptation which often comes to men who are candidates, to make false appeals and appeals which, though they might be successful at the moment, do not serve truth nor do not meet the requirements of our national dignity."

"As I see it, I must not drag the attention of the American people into a mire when it is their whole-hearted desire that their attention should be centered upon the problems which we all wish to face bravely and wisely and together. As I see it, I must concentrate my attention upon construction and not upon abuse. As I see it, I must be patient and tolerant with those Americans who may differ with me."
