Well ser, Pete, what Ratty ratiled into my rafters would. supply Camel selling stuff for a year! There's nothing to this cigarette game but Camels", said Patty. "Their wellowness is a revelation and I never did run into such mildness in my life. and, when your figure that Camels have all the "body" any smoker wants - well, I just marvel that such a cigarette could be made, Did you ever get such a refreshing flavor?

Pete, it was great to hear Ratty sing the praises of Camels quality. and, what a mouthful he said about Camels Expert blend of choice Turkish and choice Domestic totaccos!

For instance, Ratty spread this: "Shorty, I can't stand the usual unpleasant cigaretty aftertaste and unpleasant cigaretty odor! Camels are free from both! (00% o.K., Pete!) and, they never tire my taste! When you pass by Camels you have slipped by your smoke signals!

Tried to get Ratty to put some of that sales track on paper, but he came back: - "you tell 'em, old Kettle, you've got the spout!
