

Fortune Left To Omaha Girl By John Neal

Late Reynolds Tobacco Manager's Estate Valued at \$1,500,000—Portion Given To Charity.

John Neal, district manager of the R. J. Reynolds Tobacco company, who died here August 30, is said by his Omaha friends to have left an estate estimated at not less than \$1,500,000, comprising share holdings in the Reynolds company.

Incidentally, one of the outstanding features of the case is that Neal bequeathed to Margaret Caldwell Shotwell of this city 300 shares of stock, quoted a week ago at \$500 per share. Miss Shotwell, who is a daughter of Mr. and Mrs. Franklin A. Shotwell, will receive, according to the will, stock valued at \$180,000 and also \$2,500 additional with which to complete her education.

The will, which was dated in March, 1919, and which will be probated here on October 2, does not indicate the value of the Neal estate, but the estimate was obtained yesterday from reliable local sources. The will names Mr. Shotwell and the Wachovia Bank and Trust company of Winston-Salem, N. C., as executors. Mr. Shotwell is now in the southern city, checking up the share holdings and attending to other details of the estate.

Mr. Neal came to Omaha in January, 1915, to be district manager here for the Reynolds company. He was single and is said to have 10 kin, in so far as Omahans know. While here he lived at the leading hotels and after having taken an airplane flight last year he contracted a cold, which developed into pneumonia and death followed.

His will provides that various shares of the Reynolds stock shall be given to friends who are specified and that the Wachovia Bank and Trust company shall divide the residue between the Oxford Orphan's asylum of Oxford, N. C., and the Children's society of Winston-Salem, N. C.

Increase Interest Rate On Loans From Banks

All federal reserve banks in the Tenth district, which includes Omaha, have increased their interest rate to 7 per cent on loans from other banks. L. H. Earhart, manager of the Omaha branch, explained that although this district was charged 7 per cent on what it borrowed from other banks last week, the normal discount rates to customers remained unchanged. He did not wish to make any announcement as to future developments, saying he had no knowledge of the interest rate to be paid other districts in the future. W. W. Head, president of the Omaha National bank, expressed the opinion that he does not believe borrowers will have to pay any higher rate of interest. He does not share the opinion of some business firms, who must make loans to move the crops, and who fear that the rate of interest will reflect the new charge between reserve banks.

Couple to Wed In Church By Order of U. S.

Officials Lift Ruling Requiring Ceremony in Federal Building to Grant Italian Pair's Wish.

Tony Mascarello and Maria Bavarisco are to be married Saturday morning at 11 o'clock in St. Philomena's church on the South Side.

This was decided Friday in the office of Hird Stryker, attorney for Tony, when the former received word from the immigration officials at Washington, D. C., that the couple could be married in a church.

A shadow of gloom passed over both Tony and Maria Thursday when local immigration officials informed Attorney Stryker that if the couple are to be married the ceremony must take place in the federal building, because the government didn't want to be married in the immigration offices and asked his attorney to wire officials at Washington, asking them to hurry up investigation of the case.

Mascarello was up bright and early Friday morning and the first place he visited was the offices in the federal building. He was informed there that no word had been received relative to his case and he went to Attorney Stryker. Another telegram was sent to Washington, and soon word was received that the government had passed upon the case and the marriage could take place in a church.

"Uncle Sam all right, I go now

and get married to my Maria," said Tony as he read the telegram. The little Italian bid Attorney Stryker goodbye and started out to find his Maria.

Tony has a house already paid for and furnished at Sixth and Pierce streets, where he will live. The history of Tony and Maria's romance rivals any moving picture story.

Mascarello came to the United States eight years ago. As soon as he landed in this country he found employment in the Union Pacific shops where he worked until war was declared. He enlisted and when he was discharged, sent for Maria, his childhood sweetheart in Italy to come to marry him.

Officials Step In. Maria was anxious to come to Omaha, but immigration officials stepped in when the little Italian girl landed in Boston, because she could not read or write.

It took weeks to get Maria released from the immigration officers and finally she was allowed to come to Omaha where she could visit her brother, Dominic Averese, 619 Pacific street.

Tony and Maria wanted to get married as soon as the latter arrived in Omaha, but again immigration officials interfered. This time the government informed the Italian couple that they could not marry until the immigration department passed upon their case.

Roosevelts All Back of Harding

Republican National Committee Refutes Statements On Democratic Progressiveness.

Chicago, Sept. 10.—(Special Telegram).—The republican national committee here has issued a statement showing that Theodore Roosevelt's family is 100 per cent back of Harding and Coolidge.

Capt. Archie Roosevelt has accepted the appointment of the executive committee of clubs and organizations of the republican national committee for the midwest region under Maj. Edwyed H. Williams, regional director. Mrs. Nicholas Longworth, wife of the congressman from Cincinnati and daughter of Theodore Roosevelt, is now actively campaigning for Harding and Coolidge in Ohio. Theodore Roosevelt, jr., is now on a speaking campaign through the west and Mrs. Douglas Robinson, sister of the late Col. Roosevelt, is actively participating in the campaign in New York and will come west.

Governor Cox and Franklin D. Roosevelt are going about the country invoking the name of Roosevelt and claiming to represent the progressive policy of the revered republican, says the statement. "Who has a better right to speak for Theodore Roosevelt in this campaign, his sons, his daughters and his sister or the fifth cousin, Franklin D. Roosevelt?"

Col. Jefferson DeMott Thompson and Sidney P. Veit are representing America at the congress.

CAN HARDLY REALIZE IT, SAYS KAN. WOMAN

Seems Almost Too Good To Be True That Tanlac Has Ended Her Six Years Of Suffering, Declares Mrs. Ellinger.

"I feel so well and strong now that I can hardly realize how bad off I was before I took Tanlac," declared Mrs. Thomas Ellinger, of 804 South Market Street, Wichita, Kansas, recently.

"About six years ago I had a severe spell of typhoid fever and from then until the time I began taking Tanlac I was in miserable health. My stomach was left badly upset and my appetite was so poor that I just couldn't get my strength or energy back. Many times I felt awful sick at my stomach and had to stay in bed all day long.

"My nerves were shattered and it just seemed that I couldn't get any rest night or day, either sitting up or lying down. My whole body at times was racked with pain and frequently I had dizzy spells and had to be helped or I would fall right down before I could catch my-

self. My whole system was undermined and I had become weak and badly run-down.

"Tanlac is the only thing I have ever been able to get that would help me and it has certainly done me a world of good. I took six bottles in all and now am in better health than I have been in many years. My digestion is so good that it makes no difference at all what I eat it all agrees with me perfectly. I haven't a pain of any kind and haven't had a dizzy spell since I finished by first bottle. My nerves are steady and I enjoy sound sleep every night and get up feeling refreshed.

"It has been some time now since I finished my last bottle of Tanlac, but I have been in splendid health and feeling fine all the time. I take pleasure in speaking a good word for Tanlac and am all the time telling some of my friends about it."

Tanlac is sold in Omaha at all Sherman & McConnell Drug Company's stores, Harvard Pharmacy and West End Pharmacy. Also Forrest and Meany Drug Company in South Omaha and Benson Pharmacy, Benson, and the leading druggist in each city and town throughout the state of Nebraska.
