Ak-Sar-Ben Visitors—A Value Demonstration and Good Clothes Exhibit Extraordinary

MEN of the West, your attention is directed to a Fall and Winter campaign of clothes selling, at this Greater Store, that is the most open-handed distribution of values ever heard of in the history of retailing America's finest clothing.

Absurd as it may seem, and uncalled for as it may appear in the face of the west's great prosperity and crop prospects, we, nevertheless, have determined to practically conduct this clothing business this season without our customary small margin, in order to re-establish equilibrium to clothing prices.
