

Marian Hamilton Named In Prize- Winning Jingle

Chooher of Queen For Ak-Sar-
Ben Denies Attributes of
Longfellow, Whittier
or Poe.

Monday's Ak-Sar-Ben jingle prize winner chooses Marian Hamilton for queen. The prize winner is Evelyn Whelan, 3331 South Twenty-fourth street and she jingles thus: "I'm not a Longfellow, Whittier, or Poe, nor even a jingle in fun, but my prophecy of Samson's choice would go to pretty Marian Hamilton."

Only a few days are now left to win prizes in The Bee's contest. Write a jingle about some person who would make a good king or queen. You may win one of the final prizes as well as the daily prize.

These are the rules of the contest:

1. No governor of Ak-Sar-Ben or any member of his family is eligible to compete, nor any employee of The Bee or his relative. Anyone else may contribute one or more jingles.
2. The guess must be embodied in a jingle, either a "King's Jingle" or a "Queen's Jingle." It must be written plainly and enclosed in an envelope addressed to the Ak-Sar-Ben Jingle Editor of The Bee.
3. Each jingle must be on a separate sheet of paper, the "King's Jingle" on one and the "Queen's Jingle" on another.
4. The author of the best jingle each day will receive two tickets to Con T. Kennedy's Ak-Sar-Ben carnival shows.
5. The person who guesses correctly the name of the king will receive any \$10 article in any Omaha store; the person who guesses correctly the name of the queen will receive a second order for \$10 worth of merchandise in any Omaha store.
6. In case two or more persons make the same winning guesses the author of the best jingle will receive the first prize and the author of the second best jingle a separate \$5 prize.
7. The contest will close September 22.

Omaha Begins Fight For Cut in Lumber Rail Rates
The high cost of lumber, which is partly to blame for the dullness in building, will be shaved down if the interstate Commerce commission

heeds the appeal for lower rates on lumber products to Omaha. The traffic bureau of the Chamber of Commerce has forwarded a complaint on rates from the Pacific northwest and asking an equalization with the freight charges to Minneapolis and St. Paul. For many years the freight

charges on lumber to Omaha have been 7 cents a 100 pounds higher than Minneapolis has to pay. This amounts to \$1.80 a thousand feet. About 75 per cent of the lumber used here comes from the northwest, and the saving by the new rate would amount to more than \$60,000 a year.

The Housewives Burden

When a woman is almost distracted from overwork, her home is in disorder, crying children, and on top of all is suffering from backache, bearing down pains, or some other form of feminine ills, then she should remember that hundreds of women in just her condition have been restored to health and regained their youthful strength by taking Lydia E. Pinkham's Vegetable Compound and not rest until she has given it a fair trial.

Proof that it Restored the Health of These Two Women

Cairo, Ill.—"Some time ago I got so bad with female trouble that I thought I would have to be operated on. I had a bad displacement. My right side would pain me and I was so nervous I could not hold a glass of water. Many times I would have to stop my work and sit down or I would fall on the floor in a faint. I consulted several doctors and every one told me the same but I kept fighting to keep from having the operation. I had read so many times of Lydia E. Pinkham's Vegetable Compound and it helped my sister so I began taking it. I have never felt better than I have since then and I keep house and am able to do all my work. The Vegetable Compound is certainly one grand medicine."—Mrs. J. R. MATTHEWS, 3311 Sycamore Street, Cairo, Ill.

Chattanooga, Tenn.—"I used Lydia E. Pinkham's Vegetable Compound before my baby came when I could no longer keep up. It strengthened my back and relieved me of the ill effect which so often develops at such times. That was my first experience with the Vegetable Compound. Years afterwards I took it during the Change of Life and got along so well I scarcely ever had to lie down during the day and seldom had dizzy, fainting spells. I am now well and strong, can do all my housework with perfect ease and it is a comfort to me to be able to say to other suffering women 'take Lydia E. Pinkham's medicine and be strong.' I will be glad to have you use my name if it will be the means of helping any one."—Mrs. R. A. FAIBURN, 609 Orchard Knob Ave., Chattanooga, Tenn.
