

Mails, Cleveland Recruit, Shuts Out White Sox With Three Hits

League-Leaders Trim White Sox Handily, 2 to 0

Walter Mails Allows Chicago But Three Hits and Wins Shut-Out Game—Faber Is Touched For Nine Safeties by Indians.

League Park, Cleveland, Sept. 24.—Because of the persistence with which the White Sox hit the ball into the left field crowd, Manager Speaker of the Indians today had the playing field cleared of all extra seats, thus cutting the capacity of the park by fully 3,000. President Dunn of Cleveland, agreed with his manager that it was better to forfeit a few thousand dollars rather than lose the game because of the presence of the crowd on the field.

Urban Faber was sent to the mound by Manager Gleason in an attempt to run the White Sox' string of consecutive victories to eight. He was opposed by Walter Mails, the Indians' southpaw.

George Duffy to Be Third Man in Ring Charge White Sox Dare Not Be Victors

Johnson Quoted as Saying He Has Heard Statements That Chicago Must Not Win.

Chicago, Sept. 24.—In a story printed here B. B. Johnson, president of the American league, was quoted as having said that he had "heard statements that the White Sox would not dare to win the 1920 pennant, because the managers of a gambling syndicate, alleged to have certain players in its power, had forbidden it. The gamblers were said to have backed Cleveland heavily."

Chicago, Sept. 24.—Jacob "Rube" Benton, pitcher of the New York Nationals, Thursday told newspaper men previous to testifying before the grand jury, who is investigating charges of gambling in the baseball game that Hal Chase, former member of the New York Nationals, made approximately \$40,000 by placing "wise bets" on world series games.

Benton was the main witness heard today, having come from New York in response to a subpoena.

After emerging from the jury chambers Benton told newspaper men that the substance of his testimony was as follows:

That Hal Chase had cleared approximately \$40,000 on world series games.

That he, (Benton) had been offered some "easy money" by Chase and Herzog if he would "throw" a certain game between the Cubs and Giants, Henry Zimmerman, former member of the Giants, had called Benton a "poor fish" and that 400 bucks were waiting for him had he thrown the game.

Two Boys Barred From Church Team Directors Rule Out Guinnane And Jordan From Pearl Lineup After Protest.

Third Baseman Frank Guinnane and "Boots" Jordan, pitcher and outfielder of the Pearl Memorial team, champions of the Church league and Saturday class B pennant, winner, last night were barred from participating against the Paulson's Fords, pennant winner of the American league and Sunday class B champions.

The Paulson's Fords entered a protest of these two players and also Art Peterson, catcher of the Pearls, claiming that they were not eligible to play. Peterson, however, it was pointed out, had not violated his contract with the Pearls and was therefore allowed to play, while the other two players have not played with the Church champions during the league season, but were allowed by the Church league managers in the event that the Pearls won the pennant.

The directors gave Manager George Parish of the Pearl team permission to sign two additional men from the Church league to take the places of Guinnane and Jordan. They will be given time up to Saturday night to pick the two players and report to Robert Kroll, Walter Nelson and President Wagner of the American league.

Two games will be played Sunday afternoon between the Pearls and the Paulson's Fords at Lutus park, the opening starting at 1:30 o'clock. In the event that the teams break even the third and deciding game will be played a week from Sunday as a preliminary to the Bowen Furniture company and the St. Louis Champs at Rourke park.
