With September deliveries out of the or way there will have to be a readjustment of cash grain values. October corn was 26 w cents under September at the close today 1 cr \$1.063, Cash rye was 46c over Decem-ber and it is not expected that the cash will decline to the December basis so that the latter will have to grengthen some-what. Number 3 white arts closed 2% c under December and number 2 white at % o under. They have been on a Decem-ber basis for several days. Considerable importance is attached to 2 the release of 14,000,000 bushels wheat by India for export, the first since the war. I t is expected to go to Italy. Italy has stopped buying wheat for the present. There were no defaults on September contracts. **October Funds** We have a most attractive list of high New York, Sept. 30. - Wheat - Spot. P itNotes. That Board of Trade contracts stand for a delivery of the grain and provisions and that those who had the September con-tracts bought as well as those who gold them, have been source in making good on them, is seen by the action of the market, the past month. The Armour Grain company has taken the built of the 13,000,000 bushels yore and at all times has made it possible for the sellers to buy the September or deliver the cash grain on track and get the September in ex-change. The-market has been congested at times, but all came through today with all contracts cared for. Trading today was very havy and deliveres after the close were 600,000 bushels come including S. P.
